Welcome to our family

Dear Applicant,

Welcome to the Alpha Academies Trust family of schools and thank you for your interest in joining our team. Our Trust is an exciting group of schools that work together with a shared purpose.

We are an **Ambitious** Trust established to create a network of primary & secondary academies in North Staffordshire. Our purpose is to deliver a first-class education for every child and overcome inequality. We recruit outstanding staff and make their professional development a number one priority. We are committed to working with other stakeholders to create a joined-up momentum, with the Ambition of bringing about transformational change in Stoke-on-Trent.

We care about our people and feel that we can achieve the greatest impact through a research led culture. We believe that mutual **Respect** should serve as the foundations of our organisation. This supports collaboration and as a result our people are creative, confident and work as one. Our staff identify the approaches that have the greatest impact on children and support the well-being and workload of all our staff.

We believe in the importance of **Resilience** embedded in a firm sense of belonging. Our teams support each other in becoming the best that they can be; they model this for our students and help our young people in overcoming difficulty. We serve vibrant communities, and as with any community, young people can face challenges. We help them to develop tools to overcome this. We know that this develops our culture of learning and, ultimately, our purpose.

Parents and stakeholders are at the heart of our learning partnerships. Governors are supportive and committed to providing a first-class education for all. Are you ambitious, value respect and do you demonstrate resilience? Are you looking for your next professional challenge? We are looking for a dedicated and enthusiastic professional to join us.

“Inspiring children to achieve excellence and be their best.”

Our Values

Our Academy

Sneyd Academy is a large inclusive primary academy in the Burslem area of Stoke-on-Trent. It is one of the largest primary schools in the area and has pupils from nursery to year six. The school dates back to 1901 and whilst it has many modern features, it retains a strong history and pupils benefit from a good Edwardian building. The academy has recently benefited from a significant investment in digital infrastructure. We are fortunate to have large areas of green space and this has been complimented with the recent addition of an outdoor learning space.

Why Sneyd?

Staff at Sneyd Academy have the highest of expectations for ourselves, for each other, and for our children. This begins with children feeling safe, secure and happy and we pride ourselves on the environment that we create to allow our children to flourish. We foster a love of learning that should stay with children for the rest of their lives.

Our Curriculum

Sneyd Academy is committed to providing an engaging curriculum with a variety of opportunities for children to gain skills, knowledge and understanding both across the curriculum and to prepare them for secondary education and beyond. We offer a broad and balanced curriculum as well as excellence in maths and English. We bring in expertise for pupils in music and PE and achieve well in these subjects. Our extra-curricular provision is exciting and wide ranging, with children able to join a number of clubs during the academy day and beyond. Topics are supported by a list of visits and visitors to enhance classroom learning. Additionally, children have the opportunity of a residential visit to Stanley Head in Y6.

Thank you

We want outstanding strong professionals to join our team.

We want people who are prepared to make a difference to a child's life and inspire others.

We want a community that thrives on **Ambition, Respect and Resilience in a culture of belonging.**

If you have these qualities and want to be part of our team, please come and join us.
