SCHOOLS ACHIEVING SUCCESS TOGETHER

September 2024

Dear Applicant,

Thank you for expressing an interest in the post of Reception/Year 1 Class Teacher at St Nicholas CE Primary School, Child Okeford.

St Nicholas is a small village school set in the heart of rural Dorset, in the village of Child Okeford. This successful school draws on not only children from its immediate catchment but also from the other surrounding villages and towns. St Nicholas is very much part of the local community and has strong links with the Church, parents, governors and a wonderful PTFA who work tirelessly to help support the school to provide those additional experiences for the children.

At St Nicholas we seek to provide an all-inclusive environment where all children achieve their potential by '**exploring possibilities together**' and developing our personal values of **respect, curiosity, community, and friendship**. By ensuring that our teaching and learning curriculum opportunities reflect the needs and interests of all pupils we can ensure that provision is appropriate and will inspire all our pupils.

We work closely with the church in Child Okeford to provide a high-quality education within the context of Christian beliefs and practice. With our values of Friendship, Respect, Curiosity and Community underpinning everything we do.

To help achieve this, it is vital that we work in partnership with our parents, church and the wider community and we are very proud of the relationships we have built up over the years.

We are excited to be part of the SAST. There is real strength in coming together with a collective responsibility for all the children's development and progress between 0-19 years. The trust believes in preserving schools in their local community. This means that there will be considerable local expertise to support the school and staff with the chance to contribute to wider developments. At the heart of SAST is the desire to work in partnership, to collaborate with others and to be outward facing for the benefit of children and staff. The schools have extensive links beyond the immediate area and are keen to extend these further.

There is further information about the school on our website www.childokeford.dorset.sch.uk and the trust at www.sast.org.uk

You are very welcome to visit us in advance of an application or please contact the school office for any further information.

We look forward to reading your application and we will contact all applicants following shortlisting.

On behalf of the staff, children, and governors we look forward to meeting you.

Yours sincerely,

Jill Watson
Headteacher

Our Schools:

A key principle of the SAST is that member schools maintain their own character, such as church and community status. All schools in the multi-school trust are equal partners and are committed to the principles of collaboration, sharing expertise and resources to enable all partner schools to deliver excellent education for all young people in their care.

At the heart of SAST is the desire to work in partnership, to collaborate with others and to be outward facing for the benefit of children and staff. The schools have extensive links beyond the immediate area and are keen to extend these further.

SAST works by providing opportunities to share and improve - to develop further our provision as well as supporting the quality of leadership and management. This includes sharing best practice, being creative in maintaining a broad and diverse curriculum, ensuring the care and support is in place for children and families and enabling further staff and teacher development. We also work together on meeting the challenges of funding and the opportunities for financial efficiency, determining for ourselves which services and providers we will use to provide outstanding provision for our children. There is real strength in coming together with a collective responsibility for all of the children's development and progress between 0-19 years.

All our schools are successful. Of course, we recognise that we need to continually improve and evolve. The priority is to enable every school to continue to provide an excellent education for all our students while protecting their role at the heart of the community, along with our unique qualities and strengths.

There is a balance as to the responsibilities delegated to schools and those that are the responsibility of SAST. The focus is to continually evaluate, improve and develop through strong, effective and accountable leadership at all levels. The aim is to establish clear, simple and effective accountability including slim and streamlined governance.

Partnerships:

Partnership and collaboration is a core feature of all our schools – a genuine desire to be outward-facing, to use the best ideas from across the world. The schools have always worked closely together across Dorset and Somerset.
