

**Learning Academy Partnership
Regional Director of Education
Permanent – 2 roles available
Salary Scale – Leadership Scale L19 – 24
Flexible start date – September 2022 – April 2023**

Due to the growth of our School Trust, we have an exciting new opportunity for two experienced school leaders to join us as Regional Directors of Education. These roles have been created to support the growth of our Trust and ensure we continue to offer the very best to our children and communities.

One role will be based in East Cornwall and West Devon and the other across our existing schools in the South and central Devon area. You will work as part of the Trust leadership team which will give you an opportunity to drive school improvement, lead on curriculum development and shape the next phase of our School Trust

Our School Trust is underpinned by our four core beliefs; ***we are stronger together, a sense of belonging; removing barriers and realising the possible***. This means that by working collectively, we can achieve our absolute best to ensure that children, especially the most vulnerable, can flourish

You will provide inspirational leadership, vision, and strategic focus to achieve the very best outcomes for our children. Your role will be crucial in ensuring the educational success of schools within your region, and that every child is taught by a teacher that is the best they can possibly be.

We are seeking passionate leaders who will drive our mission and beliefs so that every child has the right to live life to the full, no matter what their starting point. We are committed to improving educational outcomes for the most disadvantaged children and improving social mobility in the Southwest.

We offer you the opportunity to work in a high performing School Trust where professional development and growth is supported and celebrated. We are an organisation who want you to feel professionally nourished and one who supports wellbeing through our offer to you. You will be part of a model which is aligned while celebrating the distinctiveness of the communities that we serve.

We want to support you in deciding if we are a School Trust that you would like to join. We strongly recommend that you visit or arrange a virtual call with our Trust Lead (CEO) so that you can better understand the role and if we are an organisation which excites you and can support you to flourish.

Please contact our People Team on people@lapsw.org to arrange an appointment.
