This post offers an exciting opportunity for a passionate and knowledgeable careers expert to join a successful, growing and values-led Multi Academy Trust.

As a key member of the Careers team, it will be your role to drive the development and implementation of the Archway Learning Trust Careers and Employability strategy - in line with the Gatsby Career Benchmarks.

Working closely with Senior Leadership Team Careers Leads across our Nottingham academies, you will oversee and coordinate the implementation and quality assurance of our career provision. Reporting to the Trust Impact Lead, you will join a small and highly collaborative team focussed on ensuring each and every Archway student is well informed and prepared for their future pathway.

In joining us, you will bring strategic vision, self-motivation and practical experience of providing exceptional levels of support and advice within the careers landscape. You will have strong technical knowledge and insight to prepare our young people for further education, training, apprenticeship and employment. Alongside this, you will draw on expansive regional and national networks to enhance our work and improve experiences and opportunities for students across the Trust.

As a trust, we recognise that we are all lifelong learners and therefore welcome applications from experienced careers experts with a level 6/7 qualification (or working towards), alongside those individuals that are keen to become qualified. For these individuals, we will provide the time, funding and support to aid you on this journey.

If you feel you can positively contribute towards our young people becoming the learners and leaders of tomorrow then we'd be delighted to hear from you. In return, we can offer you a fantastic working environment within an ambitious and growing trust – within which you will have the opportunity to work with a talented team of like-minded colleagues to drive lasting change in a fast paced and morally driven organisation.

For an informal (and confidential) conversation about the role, please contact Phil at our recruitment partners Propelo on 01904 567818 or email ALT@propelo.co.uk.

Closing date for applications: Tuesday 2nd November 2021

We are committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment.
