2022-2023

September 2022

Dear Applicant

Thank you for requesting the details of this post.

The Henry Beaufort School is at an exciting stage in its development.

The Henry Beaufort School has 'a strong leadership team who work well together and are excellent models for staff' [Local Authority Inspection Report]

When I came into teaching my focus was entirely on being an outstanding practitioner. I wanted, perhaps expected, all my students to be inspired by literature and appreciate the value of English as a vehicle to a wide range of careers. My somewhat missionary zeal was soon tempered by the reality of the day job! However, I never lost faith in the need to inspire my students with my teaching, in rejoicing when they made progress and being determined that making progress was a basic right for all of my students.

This fundamental vision as a teacher has continued to guide me through my career and as a Headteacher it has become central to the vision I have for the school. However much of my time is taken up with the responsibilities of a Headteacher, there is still for me, nothing that matches the privilege of being in a classroom environment. It is this principle that guides all the appointments made at The Henry Beaufort School namely putting outstanding practitioners in front of our students.

We are very proud of the 'culture of continuous improvement' that has been maintained since our Ofsted Inspection in May 2017. Our positive progress 8 score has been maintained. All of our young people achieve GCSE grades a quarter of a grade higher than their Key Stage 2 outcomes predict. However, we are not complacent, we know that such a culture can only be maintained through our hard work and determination to secure positive outcomes for all of our young people.

We operate a five year curriculum model with the options process starting in Year 8. We believe this gives all of our young people the opportunity to secure the best possible outcomes, academically and in terms of their personal growth. Cultural Capital opportunities throughout the five year model will be integral to this success and this will ensure that we continue to offer a broad and balanced curriculum throughout these five years.

Please look carefully at the Role and Responsibilities that accompany this vacancy. Selecting the right person to become part of our team is our challenge. I do hope that you will want to be that person.

I look forward to receiving your application.

Yours sincerely,

Sue Hearle
Headteacher

BACKGROUND INFORMATION

The History of our Name and Crest

The Henry Beaufort School was opened in September 1971. The school bears the name of a Bishop of Winchester who died in 1447. Henry Beaufort was Bishop of Winchester and three times Chancellor and is buried in Winchester Cathedral. He was a highly regarded representative of his country abroad.

Henry Beaufort was also a man of great wealth but he gave large amounts to charity, including rebuilding Winchester Cathedral and enlarging St Cross Hospital. We consider our students to be members of the wider community and it is hoped that all of them will aim to be good representatives of the school 'abroad' – both in the locality and further afield. It is also hoped that they will share what good fortune they have with other members of the community. For these reasons the school governors chose the name of Henry Beaufort for the school. The school crest represents Beaufort Castle in Anjou, France, from which Henry Beaufort took his name.

In order to echo this connection with other countries and cultures, and looking forward to other European links through our International School award, European cities have been chosen as names of the seven faculties. Each of these cities has a connection with the curricular team to which it is linked.

The Henry Beaufort School Vision Statement

We are proud to be an inclusive comprehensive school. We understand that young people today have many pressures placed upon them from an early age. Our role is to create a happy, stimulating learning environment that gives every child the confidence and resilience to face these pressures head on.

We have high expectations of all of our students. At The Henry Beaufort School there are no limitations to individual success.

We acknowledge the fundamental role that we play in the academic and moral education of young people.

We celebrate the success of our students at every opportunity and take delight in the buzz and energy around the school site well beyond the official ending of the school day.

We do not accept mediocrity or complacency. We understand the challenges that accompany our role as educationalists and we continue to work to find ways to refine and improve our practise. This is underpinned by our aim to be outstanding in everything that we do.

Five Year Curriculum

We pride ourselves on providing opportunities for every student to follow a broad and balanced curriculum.

We know that success comes from enjoyment and engagement. Our confident curriculum narrative is based around our teaching of key concepts, prioritising depth over breadth and ensuring knowledge and understanding is gained in each subject, at each stage.

Our core curriculum of Maths, English and Science, is complemented by the study of a possible twenty different options subjects, from which students choose four to study to GCSE level. This range of choices ensures that there are opportunities for all; we are ambitious for all of our students to study a range of challenging academic subjects alongside vocational routes.

Our curriculum aims to give our students the skills and experience they need in order to access the next stage of their education, and realise their potential.

Continuous Professional Development

All new staff are paired with a friendly face in their department from the outset. In the autumn term the school runs weekly staff training sessions to familiarise colleagues with our routines and practices, this is co-ordinated by our New Staff Induction Lead. These sessions are run by key colleagues who have responsibility for key elements of our school that are structured in a way to gain knowledge progressively across the first term.

Teaching staff are directed to attend five whole staff meetings per year where there is a CPD update for all, bespoke sharing good practice workshops that are run by our own staff, and also cross departmental working opportunities through action research. Each year the school focuses in on group working that develops the whole school improvement priorities that is specific to our school community. We also provide access to all staff to the Creative Education online CPD platform for staff to access courses that links to their own continuous professional development underpinned through the performance management process.

Our Schools Direct Programme [Hampshire SCITT Partnership](#) has been a huge success for over 7 years with all colleagues securing permanent jobs for the future, many here at The Henry Beaufort School. Our Early Careers Framework is coordinated with [HISP Teaching School Hub](#) which is part of the Educational Development Trust and we also link our National Professional Qualifications to the same provider for continuity. We work closely with the [HISP Research School](#) to provide external opportunities for staff CPD.

Being a Hampshire School provides us links to the extensive range of CPD courses in the Learning Zone that are a mixture of online CPD networks and courses to attend in person. We work closely with The Westgate School and run a number of joint initiatives including a successful Aspiring to Senior Leadership course. The Henry Beaufort School co-ordinates Subject Leader Network Meetings with The Westgate School, Harrow Way, Test Valley and Testbourne School which provides a great opportunity to share expertise across the county.

Beyond all this our school remains committed to bespoke CPD for all staff and with a healthy budget for staff to develop their own practice, we are always excited to consider requests beyond those listed above.
