Teacher with SEN Permanent Grade/salary: dependant on experience

We are looking to appoint a Teacher with SEN to work in our Resource Provision for children with autism. This is an exciting opportunity to join our well-established provision. We are looking for someone who is patient and builds rapport with the children, works well as part of a team, uses their initiative, can problem solve quickly, and has a strong philosophy of inclusion.

We are a member of The Aspire Educational Trust and offer a mutually supportive ethos with excellent opportunities for professional development.

As a school we are committed to safeguarding and promoting the welfare of our children. All appointments are subject to satisfactory references, medical checks, right to work in UK and safeguarding checks (including enhanced DBS and a declaration of disqualification (Childcare Disqualification regulations 2009)). We offer a mutually supportive and friendly working ethos in an established, skilled SEN Team.

If you are committed to helping children thrive and getting the best start in life, then we look forward to hearing from you.
