Dear Candidate,

Thank you for your interest in this role within Minerva Learning Trust. Minerva Learning Trust was established in October 2014 with the vision of providing outstanding education for pupils who are from a wide variety of backgrounds across the city of Sheffield. During 2017-18 the Trust expanded and brought together four secondary schools across Sheffield to create a new partnership of schools which supports the education of over 5000 pupils. In September 2020, Chapeltown Academy joined the Trust and enhanced the post-16 provision within the Trust in the north of the city and in September 2021, we were delighted that Woodthorpe Community Primary School became the first primary school to join the Trust. We resolutely believe that we are stronger together and that each school within the MAT has individual strengths and we celebrate the diverse and unique qualities of each particular school. Most recently, Minerva Learning Trust merged with Cavendish Learning Trust through which Netherthorpe School transferred into the Trust along with three other primary schools.

As a Trust our mission, vision and values are central to our work and are the driving force behind all that we do. Our vision of Outstanding Together, Working Together and Learning Together is underpinned by our core values of Inclusion, Independence, Respect and Success. Through our values we foster an ethos of collegiality, we ensure inclusion is at the heart of all we do and we work hard to ensure that every child succeeds, no matter what their background or circumstance.

We recognise that the commitment and care shown by all our staff is fundamental to the success of our young people. ABOUT US

Netherthorpe School is a popular and over-subscribed all-ability, 11-18 school. We have a truly comprehensive intake and aim to serve all of the school community in all of our work. Our intake is drawn from largely from the surrounding area. Our standard student number per year is 170 and our current roll is 1046. Around 39% of our students are classified as Pupil Premium which is above national average.

The school has around 20% of students on the SEN register. The range of special needs in school is considerable; we have students with Social, emotional and mental health needs, speech, language and communication difficulties, physical difficulties and some with moderate to severe learning difficulties. The school are well resourced to support our young people with a therapeutic Integrated Resource Centre, Hub and Student Services room.

The Senior Leadership Team is currently comprised of seven colleagues – the Headteacher, two Deputy Headteachers and four Assistant Headteachers, supported by the Business Support Manager and Central Team for the Trust. We also have two colleagues in Director roles on Extended SLT. Senior staff take responsibility for specific and targeted line management of key areas in the school. The school has distributed leadership model in which leaders at all levels increasingly take responsibility for raising standards of attainment and achievement.

Currently we have a teaching staff of over 70 who provide a rich balance of enthusiasm, energy, creativity and experience. Our team of support staff plays a vital part in the success of the school, and all are important members of our community. We aim to involve all staff in the life of the school through communication, including briefings and regular meetings. Staff development is supported through a highly effective professional learning policy, which lays emphasis on sharing good practice internally and driving up standards in teaching and learning. All teaching staff belong to departmental teams led by Curriculum Leaders.

The school is supported by a committed and supportive Local Governing Body, ready to scrutinise and challenge the work of the school. Led by the Chair of Governors, the Local Governing Body works through a series of committees, each supported by a member of the leadership group. The

governors take on 'link' roles and are beginning to work effectively with a range of key personnel within the school. The Local Governing Body feed into the Minerva Learning Trust Board who have overall accountability for schools within the Trust.

The curriculum is organised within a 50 period, two-week timetable and we aim to use this vehicle to support and stimulate all students. As a result, a large number of activities and experiences are timetabled for students. These include a one-week period of work experience for all Year 10 students. Many subject departments organise trips and visits; these include trips to local museums, field trips, visits from theatre groups and curriculum-related visits to sites around the country.

At Key Stage 3, students follow a broad and balanced curriculum including the core and foundation subjects.

At Key Stage 4 we offer a core curriculum of English, Mathematics, Science (combined trilogy and triple sciences), PSHE/RE and PE with option subjects available across the curriculum areas. At Key Stage 5, students are able to follow a number of learning pathways including vocational options to prepare them fully for life beyond 18.

We are confident that our current curriculum model, whilst under constant review, allows us to meet the needs of all students.

Netherthorpe has an incredible amount of history and tradition. It is truly a special place. Combining modern facilities with listed buildings, this offers a unique learning environment for the school community.

The extra-curricular life of the school is rich and varied, though this is an area we are always keen to expand. There are more than 40 clubs, lunchtime and after-school clubs and teams which offer the opportunity for students to develop and follow their interests and talents in music, drama, sport and academic areas. As a school that particularly values performing and visual arts there are a host of creative opportunities for students to take part in from music lessons and Arts plus to the school productions. In terms of sport, a wide range of teams and activities take place, achieving considerable local, regional and, on occasion, national success. There is a strong programme of residential, visits and foreign trips throughout the school including a Mexico conservation visits post 16.

We aim to enable all colleagues to fulfil their potential. We are partnered in Initial Teacher Training with Sheffield Hallam University and Sheffield University. We aim to support new colleagues, be they ECTs or more experienced teachers or support staff, via an induction programme and mentoring scheme which can be tailored to meet their needs.

We are developing a vibrant learning community in which all students and staff are able to thrive. Our strategic vision is to move this school forwards by retaining a complete commitment to our ethos, our community and the principles of a comprehensive education.

We look forward to your application and thank you for your interest in our school.
