Are you driven by a passionate belief that excellent schooling is the right of every child?

Do you believe that we must never accept that personal circumstances, socio-economic background or prior attainment will inevitably limit young people's potential?

Are you committed to the transformational power of education to shape lives and futures?

If so, we want to hear from you!

We're looking for professionals who are ambitious but humble, innovative but research-led, and warm and compassionate, with unapologetically high standards, to join us on our mission to take Alvaston Moor Academy in Derby from its current position to become one of the very best schools in the country.

In a community where almost 70% of pupils qualify for pupil premium funding, for more than a generation the school has struggled to consistently be the great school it can be, and that its young people, their parents and the community of Alvaston are entitled to.

In the last decade the school has seen periods of real improvement, but progress has often not survived changes in leadership, and positive changes have proved short-lived.

In 2021 Alvaston Moor began its latest journey of improvement as part of Archway Learning Trust. Once again improvement has come – recently recognised by Ofsted – but this time there is no alternative to ensuring that it is sustainable. And more than this, that the school finally delivers on its potential, demonstrates to its community, the city of Derby and the whole world that our children have as much potential as children anywhere.

Do you want to be:

- part of this story?
- part of the team that breaks the cycle of hard-won improvement followed by debilitating turbulence?
- part of the team that delivers on a promise to a community that has never stopped wanting, but might have stopped expecting, the best for their children?
- part of a team serving a community that, put simply, deserve the very best?
- 

If this sounds right for you. If you have the passion, the grit and the resilience to embark on this journey with us and you're looking for a clear development pathway into senior leadership – we want to hear from you!
