Curriculum Arrangements

We are very proud of the breadth and depth in our curriculum for all our students.

The curriculum is delivered through the taught curriculum and the enrichment curriculum. Learning happens in lessons, form-time, assemblies, games, educational visits, enrichment and enterprise days, school productions, and community work.

Throughout the curriculum, our students have regular opportunities for learning beyond the classroom through enriching learning experiences and extra-curricular activities.

Our inclusive curriculum is personalised to the needs of our students, and regardless of ability, each student is supported but also challenged in their learning.

The timetable for the school is based on a two-week cycle and comprises of a 25-period week with five periods per day, each period lasts 60 minutes. Lessons can be either single or double periods (usually sixth form lessons and double periods).

The Curriculum at Key Stage 3

Our three-year KS3 programme of study ensures that there is no narrowing of the curriculum. Students secure depth of knowledge and skills and are prepared for an inspirational and challenging KS4. Students are taught in five teaching groups per year in most subjects: one class of high prior attainers and four mixed ability classes

The Key Stage 3 curriculum: English, Mathematics, Science, PE, RE, PSHE, Design Technology, Art, Computing, French, Geography, History, Drama, Music and a second language (Arabic, Spanish or Urdu).

The Curriculum at Key Stage 4

In our Key Stage 4 Core curriculum, all students study English, Mathematics, Science (Separate or Combined Science), PE, RE and PSHE. At Bordesley Green we encourage our students to study a diverse option and the full range of English Baccalaureate subjects: our EBacc entry rate is consistently over 85%.

In addition to the core curriculum all students will choose up to four option subjects:

One language (Arabic, French, Spanish or Urdu),

A humanities subject (either Geography or History) and

Any combination of further two subjects from Art, Business, Computer Science, Design Technology, Health and Social Care, Hospitality and Catering, Music and Sport studies.

The Curriculum in the Sixth Form

We currently offer a wide range of courses at Bordesley Green Girls' and are confident that students can choose combinations of courses on which they are most able to succeed.

Students can enrol on 3 different pathways: A Level programme of study over two years, Level vocational and technical programme of study over two years, or Level 2 BTEC study over one year alongside retaking GCSE Mathematics and English. Most A Level students will study three A levels, with some more able students taking four A Levels or an Extended Project Qualification. Enrichment

is an important part of our KS5 curriculum: students are able to choose from a range of activities including sports, arts and STEM projects.
