About our School

We are a multi-sited special school for children and young people, all of whom have an Education Health Care Plan. We have 4 sites across north Derbyshire and Nottinghamshire, including a community nursery.

Our school is a place where children and young people are at the centre of everything we do. We care deeply for our children and work to meet their needs to the very best of our ability. We have high aspirations for all our children and young people, and we value each one of them as unique members of our school community. Working in partnership with parents, carers and the local community, we work hard to provide our children and young people with the best possible life chances and experiences.

About the Trust

This is an exciting opportunity to join an award winning Multi Academy Trust and be part of a welcoming and supportive team that serves amazing children and young people. Nexus Multi Academy Trust was founded in 2016, with 23 unique SEND and mainstream academies.

We are committed and invested in "Learning together, to be the best we can be" and it is as relatable to every employee and partner of our Trust as it is to our children, young adults and their families.
