As a School Resource Business Partner, you will be managed by the Central Trust team and provide strategic oversight, professional leadership and operational support across a group of schools. You will work closely with Headteachers, School Resource Managers and the central team to advise and support on all aspects of business services. We are looking for confident, proactive, strengths-based and solution-focused professionals with significant experience in business management roles. You will bring strong knowledge of operational compliance, excellent communication and problem-solving skills, and the ability to build effective

relationships at all levels. A collaborative approach and a commitment to our Trust values are essential, along with a passion for supporting high-quality education for all pupils.

In return, we can offer a supportive and forward-thinking employer with a clear vision and values, opportunities for professional development and career progression, and a collaborative and dynamic working environment.
