

Science Teacher
Full Time
MPS Fringe Area
Start January 2023

The Post

It is an exciting time at Becket Keys Church of England School (Outstanding, 2014). We are working hard to build upon the exam successes of our founding cohorts, whilst also establishing our 6th Form into its sixth year. With achievement levels in Science at an all-time high and more of our students choosing Science A levels, we are looking to strengthen our department in all areas to continue our success into the future.

We are seeking a suitably qualified colleague to join our team. It is envisaged that the person appointed will be extremely enthusiastic about Science and enjoy teaching the subject to all levels and abilities. We are looking for teachers who are excited at the prospect of working in a highly practical department to support the current successes of our approach. This position would suit an Early Career Teacher, but experienced staff are also welcome to apply. There are no positions of responsibility available at the moment, but for the right teacher we would consider opening an opportunity in the near future.

This post is a vital appointment in terms of maintaining the very high standards we have set for our school and our fabulous Science department. Every day, students are taught engaging and inspiring lessons and we are looking for someone to join our passionate and committed team. We offer a warm and supportive staffroom culture and students who are highly committed to their learning and proud of their school.

If you think that you possess the qualities and passion we need for this vital role, please contact us to discuss further.

We reserve the right to close advertisements early. Advertisements will therefore close at 12 noon, either on the advertised closing date, or the day the decision has been taken to close the advertisement early.

The appointee will be committed to our high expectations and core values – we welcome applications from teachers irrespective of their faith or belief. However, we ask for applicants to appreciate and respect the beliefs of others and have strong moral principles.

Staff of the school benefit from priority admission for their children. Our admissions policy effectively guarantees staff a place in the school for their children. As we are the second most over-subscribed school in Essex with over 800 applications for our 150 places each year, this is a significant perk! In addition, staff will be provided with a comprehensive induction programme and laptop, childcare vouchers are available, and childcare is available at a neighbouring provision with discounted rates for staff members.

For further information about our school, please visit our website at www.becketkeys.org. Please email us at vacancies@becketkeys.org if you would like to discuss this role further. Visits are encouraged, so please email us for details of our forthcoming tours.

To Apply

Please complete both our application form and equalities monitoring form and email it with a personal statement to vacancies@becketkeys.org.

Closing date:

Noon, Friday 7th October 2022.
