Location:	Rickmansworth
Contract type:	Full Time/Part Time (hours to suit)
Contract term:	Permanent
Salary:	£27,948 to £45,288 (FTE) based on skills and experience, plus the potential for additional Reach Points
Start Date:	September 2022 (July 2022 start for early career teachers)

The Reach Free School is looking to appoint an enthusiastic and committed Science teacher to join our team of talented, energetic and visionary teachers. This opportunity offers the right candidate the chance to play an integral role in the development of our Science department.

This is an excellent career opportunity offering the chance to teach in modern facilities. There is the option of full time or part time work, with flexible hours to suit, together with the potential for additional responsibilities.

You will have a passion for all the Sciences, and a track record of excellent teaching, collaboration and creativity. You will hold and embody the highest expectations of your pupils and will have the drive and ambition to create an outstanding environment for learning, in Science and beyond.

Science is a popular and well-resourced subject at The Reach Free School. In KS3 pupils have four Science lessons every week. At KS4 this increases to five Science lessons for those studying Combined Science and eight lessons for those studying Triple Science. For KS3/KS4 the ability to teach multiple disciplines is required with an emphasis on contributing to the design and provision of an engaging curriculum, which provides pupils with the opportunity to achieve their individual potential. Our modern Science laboratories are well equipped to ensure that all substantial knowledge gained can then be applied practically. This is further enhanced by our popular Science electives which not only allow for discovery but also inspire a love of learning across the disciplines. The successful candidate will also have the opportunity to develop and deliver the Post-16 Science courses that are offered.

The Reach Free School is looking for its teachers to:

- Be outstanding practitioners who inspire pupils and colleagues
- Be creative in delivering a rigorous, academic curriculum
- Believe that every child can and will succeed
- Be committed to securing the best outcomes for all pupils at the school with an understanding of how data can be used to maximise progress
- Have a passion for education and be open to innovative approaches in everyday aspects of school life
- Offer enrichment and extra-curricular experiences related to their subject area and beyond
- Contribute to the overall development of the school
- Be flexible, collaborative and resilient
- Have the highest ambitions for your pupils, the school and yourself

In return we will offer you:

- A unique opportunity to help build on the school's successes to date
- A happy and supportive working environment with high expectations and standards
- Access to the latest technology to assist in developing your teaching and learning
- Competitive salaries, based on skills and experience

- A network of outstanding practitioners to collaborate with and learn from
- The potential for further management opportunities
- A BUPA cash plan to contribute to medical care

This position is suitable for early career teachers.

The Reach Free School is a successful and growing secondary Free School, which opened in September 2013. The oversubscribed school is a popular choice for local families. In September 2018 the school moved into a brand new purpose built building right in the heart of the community that it serves.

If the challenges of working to develop a local school appeal to you, then we would like to hear from you.
