- prioritise others and build **healthy teams**
- **be brave**

Ambition

- **work hard**
- **strive** to be even better
- be the **best** we can

Collaboration

- build **trust**
- build strong **relationships**
- be **stronger together**

How will we succeed?

St Luke's is an ambitious and inclusive Church of England School dedicated to ensuring all students live life to the full.

We are incredibly proud to be part of the values-lead Ted Wragg Trust, which continues to have a transformative impact on the lives of young people and communities. If you join St Luke's you will be surrounded by people who have an unapologetic mission to be better every day. We offer all staff exceptional professional development through weekly coaching which has seen us be named as one of only 13 national coaching hubs. Our staff also benefit from disruption free classrooms created by a centralised behaviour system, wider Trust leadership development programmes as well as access to exceptional leadership coaching and opportunities such as South West 100.

At St Luke's, we are relentless in our mission to support the improvement of educational outcomes in the South West and are proud to be one of the most improved schools in the region following our 2022 outcomes. While we maintain a relentless focus on the highest standards and outcomes, our distinctive ethos means that everyone in our community acts with compassion in all they do.

If you are someone who believes in the power of education to transform the lives of all young people, regardless of background, then St Luke's is the place for you. We will provide you with the very best training, opportunities and environment that ensures you can be brilliant every day.

Job Description

Science Teacher

1. Key Purpose of Job:

- To teach Science across the age and ability range in accordance with the requirements of a professionally qualified teacher.
- To promote high standards in order to ensure all students achieve their potential in Science.

2. Key Duties and Accountabilities

- Teach Science across the age and ability range in such a way as to challenge and inspire all students, with clear objectives, delivered in line with department schemes of work and school policies.
- Plan and deliver lessons to students according to their educational needs and with reference to prior attainment, SEN and EAL as required, striving to ensure equal opportunities for all and to provide students with the opportunity to achieve their potential.
- Assess, record and report on the development, progress and attainment of students in line with school policies, ensuring that marking and assessment are of consistently high quality and in accordance with the school assessment policy.
- Maintain effective behaviour management in the classroom, using positive behaviour strategies to ensure learner's engagement in the lesson.
- Monitor the progress and achievement of the students following the course and identify the appropriate intervention strategies for underachieving students.
- Set high expectations for students and develop their behaviour for learning through focused teaching and through the development of positive and productive relationships.
- Manage, develop and share resources to enhance teaching of Science
- Promote enrichment and extension of Science across the department, participating and developing events, trips and visits as well as producing high quality displays.
- Contribute to objectives of the curriculum area within the school objectives and take part in an annual review of the subject and curriculum area.
- Take a full role in the pastoral system of the school, by being a tutor and a member of staff well known to the community of students.
- Embrace the continued professional development programme within the school, striving to be a lifelong learner, maximising opportunities to make impact within the role.
- Be familiar with, fully support and reinforce the aims, ethos, policies and procedures of the school and Trust with students, staff, parents and other stakeholders where and when appropriate.
- Promote enrichment and extension of Science across the department, participating and developing events, trips and visits as well as producing high quality displays.
- Contribute to objectives of the curriculum area within the school objectives and take part in an annual review of the subject and curriculum area.
- Take a full role in the pastoral system of the school, by being a tutor and a member of staff well known to the community of students.
- Safeguarding Children. The Ted Wragg Multi Academy Trust is wholly committed to safeguarding and promoting the welfare of children and young people. We expect all staff to share this commitment and to undergo appropriate checks, including an enhanced DBS.
