- prioritise others and build **healthy teams**
- **be brave**

Ambition

- **work hard**
- **strive** to be even better
- be the **best** we can

Collaboration

- build **trust**
- build strong **relationships**
- be **stronger together**

How will we succeed?

Queen Elizabeth's School

Letter from the Headteacher

Dear Applicant

Thank you for your interest in this post at Queen Elizabeth's School. The school currently has 1250 students on roll of whom 130 are in the Sixth Form. The majority of our students are drawn from our partner primary schools across mid Devon and the greater Exeter area.

Founded in the 16th century, the school is set in the market town of Cridton, just 7 miles from Exeter. We are an ambitious school dedicated to providing an excellent education that develops knowledge, character, contribution and wisdom. Our Year 7 and 8 students are taught on our Barnfield campus and Years 9-13 at Western Road.

At Queen Elizabeth's our coaching programme supports all colleagues to continuously improve their classroom and leadership practice. We were delighted to be judged as Good in the most recent Ofsted report in May 2022, which recognised our high-quality curriculum and continued improvement in achieving positive outcomes for all students. Through high quality teaching and a broad range of extra-curricular activities we aim to instil our students with the values of respect, reflection and resilience.

The enclosed recruitment pack outlines the key duties and accountabilities of the post. The successful applicant will:

- have a clear, well communicated understanding of the most effective teaching and learning techniques that lead to strong student progress
- possess the skills and determination to make a positive difference to the lives of our students
- be relentless in encouraging all students to build their knowledge and actively contribute to school life within our community so that they develop a sense of pride and belonging

If you have any questions, please do get in touch via Mrs Anna Field, anna.field@qe.devon.sch.uk

Yours sincerely

Paula Smith - Headteacher

Queen Elizabeth's School

About the Science Department

Science is led by a Director for Science and Technology, a key leadership position in the school and a full member of the school's Leadership Team. This is indicative of the importance we place on Science here at QE. It is a large team of both full time and part time colleagues and there are TLR post-holders responsible for each of the subject areas, Biology, Chemistry and Physics. The department is dynamic, professional, passionate, forward thinking and a supportive environment in which to work. It is well resourced with dedicated technicians in each subject area. There is a culture of high expectations within the department and across the school, this leads to exceptional levels of participation from students and active involvement in lessons.

We expect to appoint a teacher who shows evidence of commitment, enthusiasm and ability to communicate with and excite students; someone who is a good team member who can contribute positively to the Science Team. Teachers are encouraged to teach across all Key Stages and both sites to ensure the progress of our students through the curriculum is coherent and well planned. We have four technicians across the two sites to support the team.

The candidate must be able to deliver the curriculum to a high level across KS3 and KS4, with a possibility of KS5. Our students follow the 5 year Trust curriculum. The majority of the cohort follow the Combined Science course with 60-90 students each year opting for the Separate Sciences. Our numbers Post 16 are also thriving with Edexcel being followed by all subjects. We currently have students taking part in the Royal Society of Chemistry & Biology Olympiad and a range of other extra curricula activities.
