# JOB DESCRIPTION

## Science Teacher

(any specialism, with leadership possibility)

**Reports to:** Director of Science

**Start date:** September 2021

**Salary:** Mainscale (+ possible TLR)

**Contract term:** Permanent

## The Role

This role is perfect for an enthusiastic and dedicated teacher of Biology, Chemistry or Physics who would like to join a successful department, or a teacher ready to make the transition to their first curriculum leadership role.

The successful candidate will share the school's vision and the belief that all young people can achieve at high levels.

This role involves teaching Science, largely within specialism across KS3 to KS5, with the possibility of working as a Head of Subject underneath a Director of Science for the very best candidate.

# Job Purpose

In this role you will be driving exceptional pupil outcomes in Science at KS3 to KS5. Your purpose is to create a focused learning environment in your lessons and to ensure that pupils are successful in their study of Science.

## Main Responsibilities

### In the classroom

You actively create a strong classroom culture by building strong relationships with pupils, having an organised classroom environment and bringing a sense of joy to your work. You foster pupil collaboration and a high level of engagement in lessons. You use assessment information in the classroom to inform teaching, checking and intervening to address barriers to learning and misunderstanding and using feedback and self and peer assessment to ensure that pupils know where they are and what they need to do to progress. You plan backwards from the intended outcome at the medium term and lesson level, ensuring that the needs of all learners are met. You deliver lessons that offer clear instructions and modelling, opportunities for pupils to practice and strong consistent routines throughout. You carry out form tutor duties with care and diligence, carefully crafting a supportive, trusting and honest relationship with tutees and their families which drive progress towards the school vision and upholds high standards.

### Around the classroom

You support pupils, especially those who are vulnerable, to make excellent progress in line with the school vision. You use a range of assessment tools to know clearly where pupils are in their learning, what they need to do next and how to effectively support them, at the individual, group and class level. You work closely with families to support them to effectively support their children, operating with sensitivity, empathy and high expectations.

### Beyond the classroom

You support learning beyond the classroom by organising trips and supporting extra-curricular activities wherever relevant. You will support pupils in all aspects of their conduct around the school by carrying out duties and other responsibilities. You work closely with colleagues, supporting their development and the progress of all pupils. You take responsibility for your own development, seeking opportunities to learn, grow and lead. You set goals that are driven by the school priorities and you regularly evaluate progress against your goals, seeking feedback and adjusting your course where necessary.

# Safer recruitment process

**Reach Academy is committed to safeguarding and promoting the welfare of children and young people.**

**In order to meet this responsibility all candidates will be subjected to a rigorous selection process to discourage and screen out unsuitable applicants. This process is outlined below. Please do not hesitate to contact the school if further detail is required.**

**Disclosure** This post is classified as having substantial access to children, and appointment is subject to an enhanced police check of previous criminal convictions (DBS). Applicants are required, before appointment, to disclose any conviction, caution or binding over including 'spent convictions' under the Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 (2013 and 2020). Non-disclosure may lead to termination of employment. However, disclosure of a criminal background will not necessarily debar individuals from employment – this will depend upon the nature of the offence(s) and when they occurred. The amendments to the Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 (2013 and 2020) provides that when applying for certain jobs and activities, certain convictions and cautions are considered 'protected'. This means that they do not need to be disclosed to employers, and if they are disclosed, employers cannot take them into account. Guidance about whether a conviction or caution should be disclosed can be found on the Ministry of Justice website.

**Interview** Candidates will be subject to an in-depth, in-person interview and assessment, along with a telephone interview in some circumstances. At each stage of the process candidates will be asked to address any discrepancies, anomalies or gaps in their application form or arising from information gained at the previous stage of the recruitment process.

**Reference checking** References from the previous and current employers will be taken up for shortlisted candidates, before interview, and where necessary employers may be contacted to gather further information or address any discrepancies, anomalies or gaps in the reference provided.

**Probation** All new staff will be subject to a probation period (which may, in certain circumstances, be extended). The probation period is a trial period, to enable the assessment of an employee's suitability for the job for which they have been employed. It provides Reach Academy with the opportunity to monitor and review the performance of new staff in relation to various areas, but also in terms of their commitment to safeguarding and relationships with pupils.

**Equal Opportunities** Reach Academy is dedicated to providing equal opportunities and will monitor the recruitment process rigorously to ensure fair access and opportunity for all. Reach Academy is committed to ensuring our workforce is reflective of our diverse student population and is therefore committed to increasing representation of staff of Black, Asian and Minority Ethnic backgrounds across all roles and at all levels.
