INTRODUCTION

WHY WORK FOR PENDLE EDUCATION TRUST

This is an exciting time to join Pendle Education Trust. We are developing and always improving the academies within our family to ensure the highest standard of education for our children.

Pendle Education Trust is a family of academies in East Lancashire educating over two thousand children. The Trust is sponsored by Nelson and Colne College. Established in 2013, Pendle Education Trust continues to contribute to the local communities that our schools are at the heart of.

We have five schools within our family:

- **Castercliff Primary Academy**
- **Casterton Primary Academy**
- **Colne Primet Academy**
- **Pendle Primary Academy**
- **West Craven High School**

Our focus is exceptional leadership and meeting the needs of local families and the community. Through close collaboration with local partners and schools, we strive to deliver an excellent education for children in Pendle and surrounding districts.

Our vision is that every child in our family should only be a short walk away from a great school. Our values of Belong, Be Brave and Be Our Best support our vision and are evident in everyday life in our schools

In practice this means that we care passionately about all the children in our schools and believe in the difference our work can make to their lives. We have a fantastic staff of over 350 people across our academies – all dedicated to this single purpose.

We don't apologise for relentlessly driving forward improvements for the benefit of our children and staff and look for ways to collaborate within the Trust and with other schools and academies with like-minded philosophies. There will be considerable opportunities for professional development and there will be coaching and mentoring opportunities. We have strong links with our sponsor, Nelson and Colne College, to develop skills and potential in all Trust staff. We encourage participation in relevant networks and forums with other leaders working in education.

We are a flexible and supportive employer and would consider job share or part-time working applications. Please visit our website for more information about Pendle Education Trust.

JOIN US

COLNE PRIMET ACADEMY

Now is a really exciting time to be joining Colne Primet Academy as we go through a period of rapid expansion, both in terms of staff and student numbers and with extensive new building and refurbishment work recently completed and opened from September 2024.

We currently have 875 students on roll from a diverse range of backgrounds, and the students numbers continue to grow up to our full capacity of 1050 over the next few years. Throughout the school, we have students who speak 23 different languages. Working with such a diverse community brings lots of opportunities for students to learn more about each other and themselves.

By joining the Primet family you will become part of a supportive and ambitious team. The core drive of being part of the Primet staff team is about wanting the best for our students, and to help them overcome any barriers to their success. Our aim here at Colne Primet Academy is to give each and every child the very best educational start in life. At all times, we guide, support and inspire.

We collaborate with our colleagues at West Craven High School as well as the three primary academies in our Trust family and have the support of the Pendle Education Trust core team for functions such as Finance, Facilities, Human Resources, Health and Safety, IT, Marketing and Governance.

We are proud of the positive atmosphere that exists within the Academy. Visitors very often comment on the calm and orderly surroundings and the warm, welcoming and friendly ethos we have created. We believe that high achievement comes as a result of a positive atmosphere, high expectations and mutual respect.

Our core values are based on the Primet Positives: Progressing, Respectful, Inclusive, Motivated, Expressive and Together. These values are embedded in everything we do throughout school, and we are very proud of what Colne Primet Academy stands for in its community – we hope you want to be a part of that too.

Please take the time to read the information in this booklet to find out more about this role and we look forward to receiving your application.
