<b>Interviews:</b>	To be Confirmed
<b>Salary:</b>	MPS/UPS + SEN
<b>Location:</b>	Basingstoke
<b>Contract Type:</b>	0.5
<b>Contract Term:</b>	Permanent

Dove House is an outstanding school (Ofsted 2019) for children with moderate learning difficulties and autism. We converted to an academy in November 2011 and have enjoyed many benefits from the autonomy this brings. Dove House is also an accredited Teacher Training Provider (SCITT) but above all it is a school which makes a difference to all those who are connected with it.

We are looking for the following teacher to join our school as soon as possible or from September 2021:

### **Science Teacher**

This is an exciting opportunity for someone specialised in this practical area of the curriculum to teach Science through to GCSE level, as well as undertaking a tutor responsibility. The Science faculty is a highly cohesive department that lead from the front with regards to both pupil achievement and engagement. We are seeking an individual who responds to practical learning experiences with enthusiasm and believes in the strength of collaboration.

The successful candidate will not need to have experience with working with children with special needs as full training will be given but an empathy with them is essential. Dove House has a strong tradition of developing its own staff.

### **How to Apply**

An application form for this post is available via the school website <https://www.dovehouseacademy.com/about-us/vacancies/> or by contacting Debbie Andrews via email [d.andrews@dovehouse.hants.sch.uk](mailto:d.andrews@dovehouse.hants.sch.uk)

School Address: Dove House School Academy, Sutton Road, Basingstoke RG21 5SU

Dove House School is committed to safeguarding and promoting the welfare of children and young people. We will ensure that our recruitment processes reflect this and all successful candidates will be subject to Disclosure and Barring Service checks.
