Principal: Ms Lisa Boorman

At Plympton Academy we believe in inspiring a culture of success for all, including our staff. We have a strong culture of staff development and support - high quality CPD, based on research and evidenced best practice, which is prioritised and supported through a tailored coaching programme. We work collaboratively with the best schools locally and nationally so that all teachers continue to thrive and engage in the latest teaching developments and practice. We prioritise good behaviour and strong pastoral support so that learning is disruption-free, teachers can teach and students' can focus. As a result, we are incredibly proud of our students and staff who love the challenge of learning, are equipped to achieve their dreams and take pride in their success.

We are looking to appoint the following:

Teacher of Science

**Required for January 2022 (MPS/UPS)
Full time. Fixed Term until 31st August 2022**

We have a full time post available from September 2021 to teach Science to KS3 and KS4 and a Science up to A level. Physics or Chemistry specialism preferable but we would welcome applications from all outstanding Science teachers.

We are an enthusiastic and highly committed team who pride ourselves on the quality of the relationships we have with our students and with each other, and with the quality of teaching and learning that goes on in our classrooms.

You will join a committed team of Science Teachers and will be instrumental in providing an outstanding Science education at the Academy.

The successful candidate will be a creative and dynamic practitioner with a passion for Science that enthuses and engages students of all abilities and ages, having high expectations of all students to help them fulfil their potential.
