

Lady Hawkins' School

Kington - Herefordshire
Headteacher: Mr Allen Brace BSc NPQH

Dear Applicant,

Thank you for expressing an interest in a position at Lady Hawkins' School. Recruiting high-quality teaching staff is absolutely key in continuing to move the school forward and it is really important to us that you have all the information you need before you make an application.

Lady Hawkins' School is a rural 11-16 high school of around 260 students; our intake is truly comprehensive and draws from the town of Kington and the local villages around Kington and across the border in Powys. We are very fortunate to be situated in a truly beautiful part of North Herefordshire with extensive green and open space.

Being such a small school we are a tight-knit community and pastoral care is central to everything we do. As a team, we work collaboratively and are committed to ensuring that we are at the forefront of developments in classroom practice.

We are looking for a dynamic Teacher of Science who is passionate, enthusiastic, and motivated to join our dedicated team. Your role will be integral to elevating standards school-wide and propelling the Science and STEM faculty forward on its already successful trajectory.

You will have the vision to support the further development of this important subject area. At KS4 the Edexcel board is used for double award and triple science classes, and we are looking for someone with the ability to teach across all science disciplines. Your application should detail how you intend to support the subject's growth and contribute to the broader school community. We are looking for enthusiasm, passion and a genuine love for the subject and teaching.

If you are interested in working with us then it would be fantastic to receive your application. We are also able to offer a recruitment/relocation allowance of up to £2,000 for the successful candidate.

You are very welcome to contact us for a tour or an informal conversation before the deadline.

The closing date for applications is Friday 3rd May with interviews for successful candidates being held shortly afterwards.

I look forward to reading your application and please do not hesitate to get in touch if you require any further information.

Yours sincerely,

Mr A Brace
Headteacher
