## Welcome to St Cuthbert Mayne School

*'Educating for life in all its fullness'*

### Welcome from the Headteacher

Thank you for your interest in the advertised post of Science Teacher at St Cuthbert Mayne School. This is a full time maternity cover contract starting in September 2024.

We are seeking to appoint an exceptional teacher of Science to join our amazing and supportive Science Department. The successful candidate will be a hardworking and dedicated teacher of Science whose enthusiasm for their subject generates excitement and a love of learning.

We are looking for a team player, who is focused on ensuring that our students have a great Science learning experience in every lesson. We want all of our students to reach their full potential. This is in line with our school vision - "Educating for life in all its fullness".

Whether you are an ECT or an experienced teacher, we are committed to developing all our staff through regular coaching and a wide range of professional development opportunities both in school and through external partners such as the South West Institute for Teaching (SWIFT) . We also work in partnership with Education South West (ESW) as part of a strong family of schools. If you are passionate about making a difference to the life chances of our children then we want to hear from you!

If you would like to discuss the role or visit the school before application please contact our Human Resources Officer - [recruitment@stcm.torbay.sch.uk](mailto:recruitment@stcm.torbay.sch.uk)

### About our School

St Cuthbert Mayne School is a Joint Roman Catholic & Church of England School that welcomes all students from across Torbay and South Devon, regardless of their faith background. Our school community is made up of students and staff from Christian and non-Christian backgrounds, who are respectful of our Christian ethos.

There are currently over 1000 students on roll and the school is growing in size year on year. The teaching accommodation is of mixed age but well-resourced and maintained. We have just completed phase three of our exciting building project, which has significantly improved the facilities for students and staff in our school. Over the last three years the school has invested heavily in improving the teaching accommodation across the school. This included some major refurbishment in our Science Department. There is still more to do and this reflects our ambition to provide the best learning environment for our students.

It is an exciting time to join us on our journey to provide an outstanding, inspirational and challenging education for all students. We have a relentless focus on ensuring that our children get access to the best possible teaching through an ambitious and engaging curriculum, so that they live life to the full both now and in the future. This will be a challenging but very rewarding post.

The school is committed to developing all its staff through regular coaching and a wide range of professional development opportunities through the South West Institute for Teaching (SWIFT) . We also work in partnership with Education South West (ESW) as part of a family of schools, to educate children so they lead great lives. If you are passionate about making a difference to the life chances of our children then we want to hear from you.

### **The Science Department**

At St Cuthbert Mayne, we offer an ambitious and challenging Key Stage 3 curriculum until the end of year 9. We teach a well designed and sequenced curriculum that is aligned with the national curriculum and more. It is designed to teach students the fundamental knowledge and skills of science to enable them to be the scientists of the future.

Students in Key Stage 4 follow the AQA Combined Science Trilogy specification. All of our most able scientists have the opportunity to study triple science which gives them the chance to be ambitious and really challenge themselves.

At KS5 we offer BTEC Applied Science. The BTEC is a new qualification offered at St Cuthbert Mayne and has proved popular with our students who are enjoying a more vocational qualification.

As a department we work collaboratively to continuously improve the quality of science education here at St Cuthbert Mayne and are excited to welcome an excellent science practitioner into the mix.
