Founded 1841

180 years of outstanding Catholic education

Gumley is a school with a long tradition of educating girls (and boys in the Sixth form) to make a difference to our world. The school was established in 1841 by Marie Madeleine d'Houet, foundress of the Faithful Companions of Jesus (FCJ) an international society of Catholic sisters working in many parts of the world. In the UK there are five FCJ schools; each with its own identity but bound together by the tenets of the FCJ Philosophy of Education based on Ignatian principles.

Six core FCJ values of companionship, dignity, justice, hope, excellence and gentleness are at the heart of our work with young people and with each other.

Gumley is a vibrant learning community where students and staff learn and thrive together. The ethos of academic excellence and whole person development prepares our students to confidently achieve their education and career aspirations in the global world. Vision and innovation form our central pillar of learning. We embedded Mandarin in our curriculum in 2008 resulting in 'Confucius Classroom' accreditation and provision of Mandarin teaching to support primary schools. The forward looking MFL department also teaches Spanish, French and Italian.

Our students are provided with a broad and balanced curriculum which recognises the importance of creativity and the arts as well as making sure that maths and science are taught by well qualified specialist teachers.

As an oversubscribed non-selective girls school at KS3 and KS4 we have a wide catchment area with girls coming from 70 primary schools across west London. There are 52 ethnic groups represented in the school and 67 languages other than English. Our students are supported by an outstanding pastoral team led by one of our Assistant Headteachers who work with Heads of Year, Pastoral Managers and School Counsellors to provide a safe environment for all to flourish.

Gumley's academic results reflect our tradition of achievement, the students' high levels of ambition, parental support, as well as the challenging teaching and dedication of the staff. The vast majority of our students are accepted at their first choice university including Oxbridge, reading a wide variety of subjects. Some also attain scholarships or high level apprenticeships with companies such as SKY.

At the heart of our education is the belief that whole person development is paramount. Thus we strive to provide our students with inspiring opportunities and a wide experience through extra-curricular activities.

Gumley is situated on a beautiful site with excellent facilities. This creates a peaceful uncrowded environment in which our students are encouraged to live by our motto: 'Vive ut Vivas' - 'Live that you may have Life' and grow into their best self.
