

St Thomas More Catholic High School, Crewe
A Catholic Voluntary Academy

Teacher of Science (Maternity Cover)

Salary: Teachers Pay Scale

Required: March 2026 or as soon as possible thereafter

We are seeking to appoint a committed and inspiring Science teacher to join our supportive, enthusiastic and collaborative team. The role will require high levels of personal and professional commitment and the ability to work successfully as part of a team will be essential.

You will have responsibility for leading the quality of teaching and learning for students in your classes. This will involve: setting and articulating high expectations for students, planning, teaching effectively using appropriate resourcing to challenge and engage all learners. With your excellent subject knowledge and enthusiasm, you will have the opportunity to teach across the full age and ability range (Years 7-11).

We are a friendly and caring community placing the academic progress and welfare of our students at the heart of everything we do. Professional development is key to our ongoing success and so offer a variety of opportunities for professional development.

Applications from newly-qualified and experienced Teachers of Science.
