WORKING WITH SWALE ACADEMIES TRUST

Welcome from the Chief Executive Officer
Swale Academies Trust

Since its creation in September 2010 Swale Academies Trust has become a strong and successful school improvement service, specialising in taking schools in Ofsted category and turning them into good schools. A glance at the most recent Ofsted reports for Beaver Green Primary, South Borough Primary, Meopham School, The North School, Regis Manor School, The Whitstable School, Westlands Primary School and Sittingbourne Community College, will all point to the effectiveness of the Trust in bringing about change and providing and enabling excellent leadership. First and foremost Swale Academies Trust is about the provision and development of high quality leadership and management.

We don't seek to develop clone schools that deliver education in a regimented manner. Rather, we value the development in our schools of a spirit of enquiry and action research that provides the best possible education that is right for students in a local setting. We do however collectively value and strive for all students to produce beautiful work which showcases their development over time of which they, their teachers and support staff and parents can be really proud. We are proud of our schools and we strive for a sense of shared pride in the achievements of all of our students.

Our ambition is driven by enabling schools and children to succeed. We have a wide range of excellent and highly accomplished senior leaders who lead with a sense of purpose, charisma and a set of shared values. The Trust is fortunate to be overseen by a Board of Directors who share leaders' values and who provide the highest quality challenge and support.

INTRODUCTION

At The North School we value both the pastoral care of our students and the pursuit of academic success. Our aim is to ensure that every single member of the school community is putting achievement first, fostering resilient, independent, happy and confident learners who leave school with the right skills and qualifications for the world into which they are growing.

We are proud that The North School is a happy and improving school where students and teachers enjoy learning together. An experienced team of colleagues provide all students with the best possible opportunities, both inside and outside of the classroom.

Our students are expected to treat each other and staff with care, courtesy and consideration. They are taught to always try their very best at whatever they do and to value the progress they make as individuals. We value a community approach to education to ensure that there is a broad range of expertise within the school. This enables our students to be supported in all areas, so that they may strive to reach their full potential in school and in their future lives.

At The North School we recognise that the students are at the centre of the learning experience and that they all come with different needs and abilities, not to mention interests and strengths. Therefore we continually review the curriculum diet available; to ensure that it best reflects the national picture and the needs of the students. This enables us to make the learning experience as skills based as possible with a broad range of subjects and an emphasis on personal achievement.

Working in partnerships with parents and the local community is important to us. Collaboration with parents to ensure that every pupil in our care reaches their full potential is highly valued. We encourage all parents to get involved in the life of the school. The well-established Parents' Forum offers an excellent opportunity to influence the developments at the North School.

Our classroom practice and academic achievement are supported by a wide range of facilities that include a Basketball Academy, excellent sports facilities and clubs, a climbing wall and even a full working farm that has achieved great success at the Kent Show. All these elements contribute towards our safe, positive and varied learning environment that will enable your child to achieve their full potential and enjoy their time with us.

SCHOOL'S VALUES AND ETHOS

The North School recognises that people have different strengths and interests and we aim to give individuals the opportunity to develop those further where possible.

We expect students to have high expectations of themselves, to share our aim of 'putting achievement first' and to commit to the school's values,

As a school we value:

- **Challenge:** Everyone is expected to do their best, never settle for second best and show a determination to achieve high standards in whatever they do
- **Respect:** The school upholds each individual's right to learn and respects different views, opinions and beliefs; showing kindness and consideration towards others is a baseline
- **Resilience:** We understand that long-term success requires perseverance, quality improvements to students' work and the ability to learn from mistakes
