

Midsomer Norton
Schools Partnership

Home College: Frome College

Job Title: Third in Science

TLR: 2C

Date: September 2026

Responsible to: Curriculum Leader - Science

Main Duties and Responsibilities:

- Provision and the work and performance of the Faculty for Chemistry.
- Co-ordinate the assessment and exams with head of faculty.
- Regularly analyse available data to support monitoring and evaluation of Chemistry curriculum
- Lead and coordinate the extracurricular science programme, including clubs, competitions, trips, and enrichment activities, to enhance student engagement beyond the classroom.

Other

- Liaise with partner schools, higher education, industry, examination boards, awarding bodies and other relevant external bodies.
- Be proactive in promoting Science to students using various strategies which will include coordination of events for students.
- Committed to safeguarding and promoting the welfare of children and young people and all staff working with these groups, the College's agreed Child Protection procedures will be followed alongside implementation of the Colleges Disciplinary procedures.
- Be a champion of health and safety in the faculty ensuring all staff adhere to procedures and policies.
- Manage behaviour in faculty.
- Improve standards within their teaching and learning area across the department, with demonstrable changes for students outside of own classroom or group of pupils.

This job description only contains the main accountabilities relating to the allowance and does not describe in detail all of the duties required to carry them out.

Midsomer Norton Schools Partnership is committed to safeguarding and promoting the welfare of children, young people and vulnerable adults and expects all staff and volunteers to share this commitment.
