An exciting opportunity has emerged for a **Science Technician** to join our esteemed Science Department, delivering outstanding technical support to the science team and enhancing teaching and learning throughout the science curriculum. The perfect candidate will assist both teachers and students during practical activities, manage inventory, coordinate equipment maintenance, and handle various administrative duties related to the department. While a **chemistry** background and experience in a school setting are preferred, they are not essential.

The successful candidate will:

- A practical, methodical approach with good planning and effective organisational skills.
- Ability to cope with competing demands and strict deadlines.
- Work effectively and confidently with young people.
- Work effectively as part of a team, with strong organisational and communication skills.
- Have a great sense of humour and a positive 'can do' attitude.

We offer the successful candidate:

- opportunity to be part of a strong community and supportive workforce
- a calm and welcoming environment which enjoys a large amount of green, open spaces
- supportive induction programme and CPD opportunities
- free parking
- onsite catering and nursery
- salary sacrifice schemes including Cycle to Work and an Employee Assistance Freephone Helpline
