Headteachers Welcome

Brookfield is a school whose priority is to ensure staff and students are successful and happy. We have a rich and diverse curriculum open to all students, led by a highly talented group of curriculum leaders. Our students are engaged, confident, polite and well behaved (mostly) and move on to gain excellent results and future successes.

I am proud to say we have a lovely school which is down to how staff across the school work so effectively together. We have an ethical approach to leadership underpinned by strong, trusting relationships and collaborative working.

If you are an aspirational professional who shares our core values and wants to make a positive difference to the lives of the young people at Brookfield, then please complete the appropriate forms.

Before applying, why not visit us during the working day: Please contact Recruitment at recruitment@brookfield.hants.sch.uk to arrange an appointment.

Yours faithfully

Stuart Parkes
Headteacher

Science Technician Team

We have a large team of support staff within the school from our Admin team to Cover Supervisors. Within the larger support staff we have a team of 3 Science Technicians.

The Science Technician team is made up of experienced and talented individuals. They provide equipment and lab experiments to support the large Science Department staff as well as involving themselves in wider school life.

Based in the Science Workroom, they are a welcoming and friendly team who support each other and the wider school.

Your Opportunity

We are looking for a highly motivated individual, who helps secure excellent outcomes for students by:

- Committing to support and engage with the curriculum area you support
- Working closely with members of your team and the wider staff
- Developing strong and trusting relationships with your colleagues
- Prioritising your own CPD

In return we will offer you:

- A committed, enthusiastic, open and accessible team of staff with a desire to continue to move the school forward.
- A thorough and engaging staff wellbeing programme including access to counselling, private GP and physiotherapy.
- Excellent and varied CPD to ensure you continue to develop.
- Broad and diverse opportunities for professional development
- Participation in our support staff performance management, including regular meetings with your line manager.

Above all else we will ensure you feel valued, listened to and be able to contribute at Brookfield.

Main Duties and responsibilities

Supporting the Science Department

- Supporting 17 Science teachers across 12 labs and 2 demonstration labs.
- Preparing, delivering and tidying away practical equipment.
- Undertaking routine maintenance of laboratories, equipment and consumables.

Health and safety

- Promote the safety and wellbeing of students.

Professional development

- Take part in the school's performance management procedures.
- Take part in further training and development in order to improve practice.

Communication

- Communicate effectively with students and staff

Working with colleagues and other relevant professionals

- Collaborate and work with colleagues and other relevant professionals within and beyond the school.
- Develop effective professional relationships with colleagues.

Personal and professional conduct

- Uphold public trust in the profession and maintain high standards of ethics and behaviour, within and outside school.
- Have proper and professional regard for the ethos, policies and practices of the school, and maintain high standards of attendance and punctuality.

Safeguarding

- Work in line with statutory safeguarding guidance (e.g. Keeping Children Safe in Education, Prevent) and our safeguarding and child protection policies.
- Work with the designated safeguarding lead (DSL) to promote the best interests of students, including sharing concerns where necessary.
- Promote the safeguarding of all students in the school.

Please note: Brookfield Community School may hold interviews as and when applications are received, and this job may be withdrawn at any point without notice.

Brookfield Community School and Hampshire County Council are committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment. We will ensure that all our recruitment and selection practices reflect this commitment. All successful candidates will be subject to Disclosure and Barring Service checks along with other relevant employment checks.
