1. Assisting teachers and pupils in the classroom during practical work as and when required by teaching staff.
2. Constructing apparatus and equipment.
3. Care of audio visual equipment.
4. Reprographic work - if required in an emergency.
5. Development of systems of storage and stock maintenance.
6. Development of experimental work in teaching schemes.
7. Making audio/video recordings and organising bookings for the use of this equipment.
8. Organise display work according to teacher's requirement.

SUPPORT SCIENCE TECHNICIAN APPRENTICE:

If the school appoints a Science Technician apprentice to support him/her through his/her training, giving guidance, advice and direction where appropriate.

This job description is to be reviewed annually.

Your job description is not your contract. The document is flexible and can be changed according to the needs of the organisation in agreement with your line manager or the Headteacher.

Other Conditions

Holiday entitlement

The post is term time, including Inset days which totals 44.55 weeks of the year. This includes 24.5 days paid holiday rising to 29.5 days after 5 years continuous service plus statutory holidays. Holidays must be taken during the school holidays.

Claims/Time off in Lieu

If a member of Support Staff in their job description is required to work after their contractual hours or occasionally work outside their contractual hours, which has been agreed in advance with their Line Manager, they can either be paid for the agreed time on a claims basis or take time off in lieu in line with the school policy.

Resignation

A resignation period of 1 month is required.

Disclosure & Barring Service

All employees of the school are required to apply for a Disclosure & Barring Service Clearance Certificate.

This job description may be amended at any time after discussion with you, but in any case will be reviewed before 1.4.22.
