(Wednesday to Friday preferably but this can be discussed at interview)**

**NJC Grade 5 £21,575 - £22,369 FTE per annum pro rata
(Actual salary in the region of £9,778 to £10,138 per annum)**

Faringdon Community College is seeking a Science Technician (Physics) who is enthusiastic and highly efficient to work alongside and provide support to the Science department.

The role would suit a proactive individual, with an interest and knowledge of science, who would enjoy the challenge of working in a busy school environment, setting up, clearing away, testing and fixing equipment and demonstrations for use by others.

The successful candidate will demonstrate good planning and organisational skills as well as a flexible approach to the management of work. Excellent communication skills, both written and oral, and the ability to communicate effectively with staff and students is essential.

Faringdon Community College (FCC) is a successful and well-established 11-18 co-educational secondary comprehensive school, which embraces the idea of lifelong learning and community education. The school has an excellent local reputation and is known for inspiring exciting teaching and learning, where teachers are supported and encouraged to help every student, aiming to achieve individual success and realise their potential.

If you have any questions, would like any further information or would like to arrange an informal visit to the school, please contact our Trust HR Team, by emailing Recruitment@faringdonlearningtrust.org
