We have a fantastic opportunity for a keen scientist to join our College. We are seeking a positive, proactive and confident Science technician to join our friendly and efficient Science team. Our technicians play a key role in our smooth day to day running of the science department. Key purpose of the role is, to provide technical assistance setting up equipment in laboratories, assisting the senior technician with stock take and control, safe disposal of chemicals, responsibility for ionising and radioactive materials, student support in a classroom environment along with any other duties deemed necessary by the Senior technician or Learning Director.

Further details including a full job description are available on our website, the college cannot accept CVs. **Applicants must complete** a Support Staff Application Form, this along with details of the vacancy can be found on our at: www.kingsthorpecollege.org.uk/workwithus.

Email your completed application form to recruitment@kingsthorpecollege.org

Closing date for applications: 9am on Wednesday 7th December 2022

Please note that we may close applications early depending upon the number of applications received.

Why do we exist?

We exist to maximise the life choices of our students by being the catalyst in students' artistic, athletic and academic lives.

How do we behave?

We behave with optimism, determination, thoughtfulness, and clarity.

What do we do?

We provide character and currency for our students to achieve success.

How will we succeed?

We will differentiate ourselves by creating a healthy organization, making student-centric decisions, and giving students opportunities to develop resilience, perseverance and creativity, and be curious, kind, well-rounded individuals.

Please email your completed application form to recruitment@kingsthorpecollege.org.uk
