

January 2025

Dear Applicant

Welcome to Newhouse Academy

I am honoured to be Headteacher at Newhouse Academy and it is a privilege to serve our students and the community.

We are in our fifth year as a team. The academy's Our People agenda has led to high expectations, which we use to hold ourselves and each other accountable. We use the Our People curriculum to ensure students are supported to achieve the highest personal development and welfare standards, which supports a positive culture around the academy. Teaching staff are encouraged to be imaginative and creative in the classroom, to deliver motivational, engaging and inspiring lessons.

As part of the Hollingworth Learning Trust, we are committed to providing opportunities for all students in a school where the values of aspiration, integrity and respect and integral; coupled with the determination to ensure that all students achieve their desired destinations when they leave us at the end of Year 11.

We returned to school in September 2024 with a brand new additional school building. Science, Technology, Music, Performing Arts, PE and the SEND/SEMH Teams now have fabulous, state-of-the-art facilities and additionally, we have a school hall with theatre seating and a bright and airy dining room.

The coming months will see the demolition of the oldest part of our school building, and, once that is completed, there will be landscaping, to give the whole school community some beautiful outdoor spaces.

We offer a full induction programme, so you can be sure of support and guidance in your new role. We also offer membership to a pension scheme, a wellbeing package – which includes the benefits of being a member of Simply Health – free use of brand new gym facilities and there is ample, on-site parking.

We have a fabulous team of teaching and support staff within our academy, and are relentless in securing strong futures for our students. If you have strong character, energy, credibility and the ability to inspire; if you can motivate and challenge others to improve performance, we'd love to hear from you.
