

Balcarras School

Applicant Pack

The Balcarras Trust came into existence on December 1st 2020. We are a Multi Academy Trust based in Gloucestershire. Prior to this the company (Balcarras School) was a Single Academy Trust.

The Mission Statement of The Balcarras Trust:

The Balcarras Trust is committed to delivering outstanding inclusive, comprehensive education in each of its schools. Every child within the Trust will be expected, encouraged and supported to reach their full potential and, when they leave school, to be fully equipped to go on to be successful in the next phase of their lives.

The Trust will establish and maintain high standards of teaching, pastoral care and behaviour in its schools. No child will be "left behind." There will be excellent opportunities for extra-curricular activities.

Each member of staff in the Trust's schools will be an excellent role model and will play their part in ensuring that each school in the Trust will have its own special ethos. Students will feel proud of their school.

Balcarras is a co-educational 11-18 comprehensive school situated in Charlton Kings on the Eastern side of Cheltenham. Consistently rated outstanding by Ofsted, it has also been recognised by The Sunday Times as the highest performing comprehensive school in the Southwest. Balcarras's performance at A level and GCSE is amongst the highest for any school in the country.

Currently there are two schools in the Trust:

Balcarras: an 11-18 coeducational academy with 1402 pupils on roll. Consistently rated outstanding by Ofsted, the school secures superb outcomes at both GCSE and A level. Recently the school was awarded the Sunday Times Southwest State School of the Decade Award. The school is led by Dominic Burke (Headteacher) who combines this role with CEO of the Trust. Balcarras is the lead school in the GLOW Maths Hub and the Balcarras Teaching School Partnership. Balcarras is located in Charlton Kings and is currently where the Trust's registered office is located.

The High School Leckhampton: a brand new 11-16 coeducational comprehensive academy with an eventual capacity of 900. The school opened in September 2021 initially on the Balcarras site. It transferred to its own purpose built accommodation in September 2022. It now occupies a beautiful campus at Farm Lane in Leckhampton. This facility cost £35 million and is state of the art. The school is led by Helen Wood and has for the first two years of its existence been oversubscribed.

In addition the Trust has a wider role as a system leader:

Outreach work: The Balcarras Trust is a leading provider of professional development for educators. The Trust runs the GLOW Maths Hub which is responsible for leading maths education in this region. GLOW has an annual turnover of close to £1 million. The Trust has the contract to run the Teaching School Hub for Cheltenham, Stroud and The Cotswolds.

The Trust runs its own School Direct teacher training programme working alongside the Gloucestershire Initial Teacher Education Programme (GITEP) which is run by the Gloucestershire Association of Secondary Headteachers Limited (GASH). In 2024 Balcarras will become the lead school for GITEP.

We mention these initiatives because we believe it demonstrates our commitment to professional development and the importance of collaboration.

Balcarras Aims and Values

We provide our pupils with an education of the highest quality so that they leave us with the qualifications, skills and personal qualities they need to lead a successful life.

To achieve this, we will ensure:

- Our commitment to the highest academic standards
- A caring and stimulating environment
- A wide range of extra curricular activities
- A partnership with parents, business and the local community

What is it like working at Balcarras?

It is a very exciting and rewarding time to be working at Balcarras. Our latest GCSE grades were extraordinary and put us in the Top 10 comprehensive schools in the country in the Daily Telegraph tables. It is this commitment to the highest academic standards whilst at the same time being a caring and stimulating environment that makes Balcarras feel different from anywhere else.

What is the surrounding area like?

Members of staff moving into the area to join Balcarras have a wide variety of locations from which to choose. There are the large urban areas of Cheltenham and Gloucester together with the many modern housing developments clustered around them, the older market towns such as Cirencester and the smaller villages and hamlets of the Cotswolds. Within a short distance of the school it is possible to find both the facilities of a thriving urban area and the tranquility of unspoiled countryside.

Balcarras occupies an attractive site at the very edge of Charlton Kings. The woods and fields of the Cotswold escarpment rise up to the east and south east, while in other directions there is housing surrounding the old village centre.
