

Science Technician

From: ASAP

Salary: Grade 6, Point 9 (Actual Salary £20,973 per annum – *pay award pending*)

Contract: *Fixed Term Contract until 14 February 2025*

37 hours per week, 40 weeks per year

Rawlins are seeking to appoint a Science Technician. This is a varied role which supports the delivery of our Science curriculum from Year 7 to Year 13. Full training and support will be provided, although a love of Science, particularly Physics, would be an advantage. This post is based in our very successful Science Department working as part of a strong team.

This is an excellent opportunity to join one of Leicestershire's largest secondary schools, with over 1500 on roll including more than 300 in our A Level specific Sixth Form. We are a highly inclusive school having our own Autism and a Moderate Learning Difficulties specialist unit on site alongside our school's SEND support base. Pupils who attend these units are an integrated part of our school community.

There is a strong sense of community in the school, the village of Quorn and the surrounding areas with a committed and aspirational parent support base. Teamwork and making the most of every opportunity is a key feature of school life. We aim to inspire our pupils to find their talents and their passions through a broad and balanced curriculum; to be curious about learning; to relish a challenge and to have both confidence and resilience. Applications are therefore welcomed from well-qualified and highly motivated individuals who are keen to work with remarkable young people providing an exceptional education for all.

Our core purpose is summed up in our vision and values:

Developing Trust | Inspiring Hope | Building Success | Shaping the Future

And via our motto: Act wisely and make the most of every opportunity **Colossians 4:5**

Rawlins is an extremely rewarding place to work. We hope you will take the time to look at our website to find out more about us and apply. For any further role specific information, please do not hesitate to contact our Head of Science, Jamie Murray: jamiemurray@rawlins.embracemat.org

Closing Date: Monday 12 August 2024 at 0900 hrs

Interview Date: During w/c Monday 26 August 2024

If you are interested in this post, further details and an application form are available via our website. Please follow the appropriate links. Applications will only be accepted on the form provided. CVs or other forms of application will not be considered. Rawlins is part of the Embrace Multi Academy Trust.

Embrace Multi Academy Trust is committed to safeguarding and promoting the welfare of young people and requires all staff and volunteers to share this commitment. As part of our commitment to safeguarding, enhanced DBS checks and barred list checks will be undertaken for all successful applicants prior to appointment and all shortlisted applicants will be subject to online searches as part of due diligence checks. We believe that all individuals are of equal value and we are committed to equal opportunities for all, ensuring equality of opportunity in line with the Equality Act 2010.

Please note that this vacancy may be withdrawn at any stage of the recruitment process if a suitable number of applications are received before the official closing date.
