Dear Potential Colleague

Thank you for your interest in the vacancy for **Science Technician** at St Edmund Arrowsmith **Catholic** High School.

Our aim has always been to inspire every pupil to want to make the world a better place. This aim sits above all others in defining an education for our pupils. Our Catholic faith is central to everything we do, and our pupils are asked to be living witnesses to that faith and develop the values that come with it.

We are seeking to appoint a colleague who is passionate about outcomes for young people and if you would like to join our school community, then I look forward to receiving your application form.

To apply, please use the CES application form provided and return this prior to the closing date stated on the advert **Monday 28 February 2022 at 9.00am** to recruitment@arrowsmith.wigan.sch.uk.

Shortlisted applicants will be contacted as soon as possible and therefore if you have not received any contact within a 2-week period following the closing date, we must advise that you will not have been successful on this occasion.

If you require further information, please do not hesitate to contact the school where you will be sure to find a warm and courteous welcome.

Yours faithfully

M J DUMICAN
