Science Department

Science is a strength of the school and the department is in very good shape with a lead practitioner, within a team of 6 teachers led by a dynamic head of department. We have a fully equipped prep room managed by a fantastic lab technician.

Triple Science is now being taught to all classes from Year 9 onwards and has provided all students the opportunity to study science at a greater depth.

There will be a high level of support from the Head of Department, as well as the informal support offered by what is a closely knit team. Science is taught for six hours per fortnight at Key Stage 3 and ten hours per fortnight at GCSE from Year 9 onwards.

Science Technician

12 hours per week over 38 weeks per year

Required for one year in the first instance

Actual salary: £6,825 - £6,934 Grade 6 (pro-rata of £25,188 – £25,590)

We are seeking to appoint an enthusiastic and committed Science Technician to support the Science department at The Winstanley School. The successful candidate will have a real passion for science and helping our students to achieve their full potential. You will possess a real passion for contributing to the learning of our young people and be able to promote the vision, and to live the values, of the LiFE Multi-Academy Trust.

The Winstanley School is a popular and expanding 11-16 school situated in the heart of the vibrant and engaged Braunstone Town community. The Winstanley School is increasingly the school of choice for parents living in the local community and has recently been recognised as good by Ofsted. The school is part of the LiFE Multi-Academy Trust of which Bosworth Academy is the lead institution.

Executive Headteacher: Dave Bennett

May 2025

Dear Applicant

Science Technician

Thank you for your interest in the above post.

Thank you for your interest in the above post. As Headteacher, I am very proud to lead the Winstanley School. It is a small, dynamic school which is a very welcoming and friendly place to work. The staff are passionate about providing all the young people, irrespective of the challenges and difficulties they face, with the best opportunities and experiences possible. At the heart of our mission is providing hope for our community through our SHINE values.

We are seeking to appoint someone who has energy, enthusiasm and who enjoys working supportively with young people as a Science Technician. This role can be challenging and the person appointed will need to be able to work creatively with a range of individuals across our academy, have stamina and will need a sense of humour

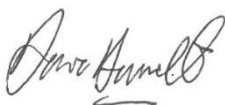

The following information is included in this pack:

- Job Profile and Personnel Specification
 - The Personnel Specification indicates the specific skills and qualities we are interested in and where we expect to make judgements of these in the selection process.
- Details of our most recent Ofsted report can also be found on our website or the Ofsted website.

Application forms and further details can be downloaded from Eteach on <https://www.eteach.com/careers/winstanleyschool-org/>

I look forward to receiving your application.

Yours sincerely

Dave Bennett
Executive Headteacher
