WELCOME TO UFFCULME ACADEMY TRUST

I hope that this recruitment pack will give you an idea of Uffculme Academy Trust, what we stand for and what it might be like to work with us.

We have a simple and compelling vision for education. We believe that our schools should sit at the heart of our communities; that there are no limits to what our children and young people can achieve; and that they should be great places to work and learn.

We are incredibly proud of our Trust and the schools within it. Strong partnerships, collaboration and generosity are the bonds which underpin our collective mission to provide great education for all children no matter what their starting point or their background.

I have been associated with Uffculme Academy Trust for more than 10 years, and I have no doubt that it is a very special organisation. Having moved from Headteacher to Executive Head to CEO, I know first-hand how a strong ethos, ambitious culture and compassionate environment drive success. We are lucky enough to employ brilliant people who share our vision, many of whom have started careers with us and stayed to progress these careers. We want people to join us who believe that whatever their role, they can make a difference to the life chances of students. We are totally committed therefore to helping all our staff thrive and fulfil their professional ambitions.

We are looking for an individual who shares the same vision and values - if you believe that you have the skills, drive and vision to help us achieve our aims we would be delighted to receive your application.

We look forward to receiving your application.

LORRAINE HEATH, OBE

CHIEF EXECUTIVE OFFICER

WELCOME TO UFFCULME SCHOOL

Dear Applicant,

Thank you for your interest in this post. This is an exciting opportunity for us to recruit a motivated and enthusiastic Science Technician to join our existing highly successful team at Uffculme School.

Uffculme is a happy and friendly school with high ambitions for every student. We are fully inclusive but are relentless in our determination that every child will fulfil their potential. Our reputation and outcomes speak for themselves and although we are regularly the top performing comprehensive school in the region, we refuse to be complacent. We want to be the best school we possibly can be and are always looking for ways in which we can develop and improve.

If you share these aspirations and believe you can contribute to our continued success, I would be delighted to receive your application.

If you wish to visit the school before applying, or if you have any questions, please contact the Head of Science, Mr Mike Rowley on rowley@m@uffculmeschool.net or on 01884 840458.

Alan Blackburn, Headteacher

Uffculme School is a popular, high performing Academy located on the beautiful Devon/Somerset border with easy motorway access to the regional centres of Taunton and Exeter.

The February 2014 Ofsted inspection classed the Academy as 'Outstanding'. We are a fully comprehensive school and committed to inclusion. In 2019 (the last year when league tables were issued) our Progress 8 score was +0.7, with disadvantaged pupils achieving +0.47; maintaining our track record as being one of the highest performing non-selective schools in the country. Consequently, we have received many national awards and accolades over recent times in recognition of the quality of the education provided here at Uffculme.

Whilst our examination results speak for themselves, they don't tell the whole story. They are based on a culture of high expectations; exceptional levels of student participation and active involvement in the life of the school; and great relationships between staff and students.

We make no apologies for wanting it all as a school; happy staff, happy students, outstanding results, amazing opportunities, and a culture which rewards and values success in all its forms.
