This job description details the responsibilities of the post, but does not direct any particular priorities or amount of time to be spent carrying out the duties. It is not prescriptive, nor necessarily a comprehensive definition of the post. As such, it may be subject to amendment, after consultation, to meet the changing needs of the Academy.

Great Western Academy is committed to safeguarding and promoting the welfare of children, young people and vulnerable adults and we expect all staff to share this commitment and undergo appropriate checks. All posts within the trust are therefore subject to an enhanced DBS and barred list check.

At Great Western Academy we expect all our staff to promote great learning; this requires great teaching and the fostering of great attitudes in our students. We have the highest expectations of our teachers: they will be outstanding classroom practitioners committed to generating a culture in which no child is left behind, and they will be supported to continually review and improve their own practice. We expect our teachers to inspire and motivate; lessons should be engaging, memorable and enjoyable, and staff contributions to our enrichment time will help our students to broaden their skills and experiences. As stated on many occasions at open evenings “students will enjoy learning and staff will enjoy teaching them”.

1. **Key Outcomes**

- With the Head of Faculty, to ensure high quality teaching, learning and wider activities so that all students find their learning challenging, engaging and motivating and make excellent progress
- To take responsibility for an area of leadership in the Faculty, as agreed with the Head of Faculty
- To line manage members of the Faculty, as agreed with the Head of Faculty
- To ensure high quality education so that all students find their learning challenging, engaging and motivating and make excellent progress
- To contribute fully to the ethos of Great Western Academy and to promote the Academy’s values
- To be a learner themselves, reviewing and developing their practice and furthering their professional and career development

2. **Responsibilities for all classroom teachers**

- To demonstrate highly effective practice in all the Teacher Standards
- To promote excellent student progress by teaching high quality lessons which:
 - take into account prior learning to drive the lesson being planned
 - set clear and differentiated objectives with matched success criteria
 - plan a range of activities which address the objectives set
 - make use of the immediately available ICT to enhance the activities planned

- differentiate the activities so that every student is appropriately stretched and challenged and experiences learning which is personally fulfilling
- assess students formally and informally against the objectives as the lesson progresses, giving students positive feedback when progress is made
- make best use of 'real world' examples of the learning
- consider how best to ensure a positive climate for learning for each class; this may include but is not limited to planning engaging activities, using assertive behaviour management techniques, making constructive use of seating or grouping of students, making best use of any available support, and ensuring a focus on praise and rewards
- encourage students to show independence in their learning
- set appropriate further learning which builds upon the lesson and/or sets students up well for the subsequent lesson
- consider using the wider school site, or beyond, as a learning environment where appropriate
- To contribute to curriculum development in their teaching area through positive contributions to meetings, development and implementation of schemes of work, and development and sharing of creative resources
- To assess and record students' progress in line with the Academy's assessment policy, including reporting to parents through the Academy's MIS at key data collection points during the year and providing information to examination bodies as required
- To contribute to and implement Individual Learning Plans for students so as to maximise their learning and progress
- To demonstrate and promote the Academy's ethos of Achievement, Care and Excellence at all times

3. Professional Development

- To participate in the Academy's performance management and appraisal arrangements
- In consultation with their line manager, to take responsibility for their continuing professional development and improve their practice and further their own learning and that of the students they work with, with a view to being ready for further promotion within the Faculty or Academy as opportunities arise.
- To work with other staff in the Academy to support, challenge and motivate each other and to develop and improve each other's practice
- To represent the Academy at local network meetings or other similar provision as appropriate
- To communicate and liaise effectively with parents and carers, other education providers and external agencies as required, bringing about positive partnerships between them and the Academy

4. Other responsibilities

- To be part of a staff which develops a culture that promotes personal development and independent learning with an ethos of challenge and support, enhancing students' resilience and confidence
- To actively promote the inclusive nature of Great Western Academy and contribute to the Academy's pastoral care and safeguarding of students
- To act as a tutor and contribute to the Academy's House system
- To contribute to the Academy's enrichment programme on at least two days each week (pro-rata for part-time staff)
- To attend open evenings, parents' evenings and other events falling within directed time
- To act as an advocate for the Academy within the local community
- To carry out other such duties as are reasonably required by their line manager
