EDUCATION
IS SUCCESS

Thank you for your interest in applying to work at Westminster Academy.

We reserve the right to make an appointment before the closing date, so early applications are encouraged.

WELCOME FROM THE PRINCIPAL AND CEO

Dear Candidate,

It gives me great pleasure to introduce myself as Principal and CEO of Westminster Academy. I was privileged to take on this role in August 2024 and become part of the continuing development of this wonderful school.

Our mission is 'Education is Success' and we strive to achieve this mission in a number of ways. We recognise that success can only be achieved in an environment where students feel safe, happy and supported. We are a school that prioritises student well-being in an inclusive, kind environment to allow students to develop as confident young adults. Our committed staff body is ever present to ensure students are supported emotionally as well as academically.

The Academy has a strong record of academic success, with a passionate and highly knowledgeable staff body who devise engaging lessons to inspire a love of learning and prepare students for academic success and the world beyond. Our approach to teaching, learning and curriculum places emphasis not only on traditional academic subject knowledge but also on cross-curricular connections, student self-management, communication skills, technology use and critical thinking through student-centred, personalised learning experiences.

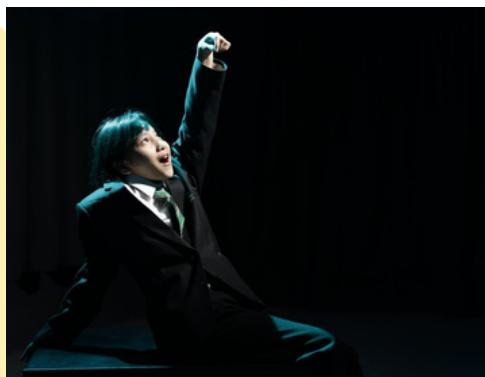

Westminster Academy students value the breadth of extra-curricular opportunities on offer, which enrich learning experiences beyond the classroom and give students opportunities to develop talents and experience personal success. Alongside an exciting extra-curricular activities programme, a large number of educational visits and internal events take place each year, as well as an outstanding careers programme. Students are empowered through leadership initiatives and contribute to the improvement of the Academy through the Academy Council programme.

Westminster Academy is one of the few non fee-paying schools in London to offer both the International Baccalaureate Diploma Programme and the International Baccalaureate Career-related Programme at key stage 5. These demanding, world-renowned qualifications aim to combine academic excellence with a mission to 'develop inquiring, knowledgeable and caring young people who help to create a better and more peaceful world through intercultural understanding and respect'. This goes hand in hand with our values as an Academy: Westminster Academy students have a strong sense of social responsibility; they research social issues to understand the wider world, fundraise energetically and take an active role in the community with the objective of making the planet more equal, fair and sustainable.

My personal aspirations for Westminster Academy students align with those I have for my own teenaged children: I want to support them to flourish in all areas of their lives by helping them develop into well-rounded, compassionate individuals. My colleagues and I are committed to providing them with an exceptional education as part of a caring school community to ensure they have access to their preferred post-18 pathways, and have the skills and attributes to achieve their personal and professional goals.

Thank you for your interest in our Academy. I look forward to receiving your application.

Mrs Numera Anwar
Principal and CEO

IB Learning Profile

The IB Learner Profile is used across the school as a framework for character development. IB learners strive to be:

Areas of Strategic Focus 2025-2028

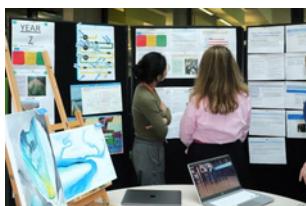

1. We will ensure that we continue to strive to be the number one school of choice in the borough.

3. We will provide excellent leadership and governance at all levels to enable effective development at WA.
4. We will ensure a rich, engaging and inclusive curriculum with effective teaching and high-quality learning resources across all subjects and year groups.

9. We will ensure a high-quality workforce and prioritise staff retention through carefully considered professional development and workload.

PROFESSIONAL DEVELOPMENT

Westminster Academy is committed to fostering a positive ethos of continuous improvement and learning, which motivates and develops its staff community.

Internally, alongside four INSET days across the year, we have regular Professional Learning opportunities; every Wednesday, students have a shortened day which enables us to run departmental and whole school CPD based on developing practice school wide. Here, we use guidance from the DfE and EEF, alongside taking regular staff feedback, to ensure our internal training is of the highest quality and has real impact. We also have dedicated Professional Learning Communities, whereby staff meet with colleagues from across the school working on similar areas of practice, to support, observe and collaborate in these areas. This culminates in a showcase at the end of the academic year, whereby staff celebrate their learning and development together. Finally, we also offer coaching training in-house for all leaders at the Academy to support their ongoing development.

Alongside this, we use a tailored approach to ensure staff receive bespoke training opportunities externally, which is supported by a healthy training budget. Staff have a menu of options to suit all levels of experience, including specific opportunities to develop trainees, as well as current and aspiring Middle and Senior leaders. Courses taken by our staff have included Category Two and Three IB courses, IBSCA courses and NPQs for differing levels and specialisms, and we support the completion of these, as well as shadowing in other settings wholeheartedly.

All staff are expected to guide aspects of their own professional learning and this forms the heart of our Performance Management system.

Staff with 100% attendance over an entire academic year will receive a £100 gift voucher. Just as for the students, all absences from work are included in this calculation, apart from religious observations.
