"The governing body and leaders support pupils' wider development. They are committed to making sure that pupils are prepared well for life in modern Britain" Ofsted, October 2022

The Governors are seeking to appoint a highly motivated and skilled Second in Charge of Maths, with a strong back ground in A-Level teaching, to join this Catholic 11 – 18 comprehensive school judged "Good" by Ofsted in October 2022 and "Outstanding" by the Archdiocese of Southwark in 2019.

It is an exciting time to join St John Bosco College as we continue our journey towards being an outstanding school now that we are fully settled into our state-of-the-art building in the heart of Battersea. Our success can be credited to our committed and dedicated staff who strive for excellence and promote high aspirations throughout the school. The successful candidate will receive a full programme of CPD and have opportunities for career development within the school.

We are seeking a talented teacher of maths with strong subject knowledge and a passion for bringing their subject to life for our students. The successful candidate will support the Head of Maths in designing and delivering a high-quality curriculum across the key stages, particularly at A-Level where Maths and Further Maths are taught. They will also support the department more widely in extra-curricular and enrichment work. The role would serve as excellent preparation for future progression towards a Head of Maths role or other leadership opportunity.

The successful candidate will:

- Be a model of good practice in the teaching of Maths from KS3-5
- Have the skills and experience to support curriculum development and to promote high standards within the maths department.
- Be actively supportive of the Catholic values and beliefs of St John Bosco College and to make a positive contribution to the wider life of the school.

Early applications are welcome, and we reserve the right to appoint before the closing date if we find a suitable candidate.
