Second in Charge of Science TLR 2.2 [£6,016]

Required to start 1st September 2025

Are you able capable of being a leader who can inspire, motivate and lead improvement?

"Staff have high expectations of pupils. Pupils recognise this and feel that staff care about them." *Ofsted March 2024*

Governors wish to appoint an outstanding and experienced teacher to support the leadership, development and to further improve the Science department. Post 16 Sciences are developing from September 2025.

We are looking for a teacher with:

- proven leadership, organisation and skills in improving outcomes in KS3, 4 or 5.
- a genuine passion for the sciences.
- proven skills regarding communication with staff, students and parents.
- a clear understanding of how to raise standards & secure first-class teaching and progress that promotes high achievement and expectation.

This demanding role is a very exciting opportunity where you can **make a difference**. Sustaining the improvements in attainment and progress in Sciences is a **key issue in our whole school** improvement. This role is a key area for improvement in our consolidation in the work that has taken us to good and building upon this.

"The school has a broad and ambitious curriculum. The curriculum is carefully planned to ensure that all pupils build their knowledge over time, regardless of when they start at school." *Ofsted March 2024*

The school is committed to safeguarding & promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.

For an information pack and application form please go to www.bemrose.derby.sch.uk

Please complete a Bemrose application form along with a letter of no more than two sides of A4 identifying what skills you bring to the post and how you will support the development of the Science department moving forward.

Closing date: Friday 14th March 2025 at 10am.
