

Churchmead School

Life in all its fullness

JOHN 10:10

Dear Applicant,

Thank you for taking the time to find out more about Churchmead School.

Churchmead is a rapidly expanding 11-16 Church of England secondary School. The school has transformed in recent years and we are now set on becoming the school of choice for the extended area.

Our Christian ethos is underpinned with our school values; Courage, Compassion and Commitment. Our vision of living and celebrating life in all its fullness continues to drive our passion for development. All staff are expected to commit to all aspects of school life to ensure our students experience a passion for learning lived out everyday in our teaching.

Churchmead School is a great place to work and offers all staff exceptional professional development opportunities through both school wide and bespoke programmes.

By ensuring our core values are at the centre of everything we do, our students feel empowered and become resilient young people who play an active role in navigating their own futures. Our students are encouraged and equipped to develop skills that enable them to be leaders of their own learning and achieve their individual goals.

We are looking for a creative, flexible teacher and a great team player. You will be excited by the prospect of developing an outstanding pedagogy in and beyond the classroom.

If you share our commitment to educational excellence and feel that you can make a difference during the school's next stage of development, we would love to hear from you.

If you require further information please do not hesitate to contact Louise Knight, my PA, via email - office@churchmead.org or by phone - 01753 211330.

To apply, please complete the TES application form or the application form found on the school website - www.churchmead.org.

Yours faithfully

Chris Tomes
