Your role

- To assist the Head of Science in leading the strategic direction of the department, fostering a love of Science by improving the quality of provision and ensuring positive outcomes for our students. This will involve setting high expectations to ensure the continued delivery of high quality teaching and learning and high achievement of all students.

Duties and responsibilities: Second in department

- To hold and articulate clear values and moral purpose, focused on providing an excellent education for students in Science.
- To demonstrate optimistic personal behaviour, positive relationships and attitudes towards students, staff, parents and members of the local community.
- To sustain wide, current knowledge and understanding of Science teaching, and pursue continuous professional development.
- To support the strategic leadership of Science, empowering all students and staff to excel.

Duties and responsibilities: Strategic direction

- Support the Head of Science in developing and implementing policies for Science in line with WSS's commitment to high-quality teaching and learning
- Promote Science, its importance, and the value that it brings across the WSS community
- Have a good understanding of how well Science is being delivered and the impact it has on student achievement
- Use this understanding to feed into the WSS School Improvement Plan and support the Head of Science in producing an action plan for the subject
- Promote students' spiritual, moral, social, cultural, physical and mental development alongside British values in the teaching of Science
- Consult students, parents and staff about Science and its effectiveness, and assess the feedback against the school's values, visions and aims
- Work with the special educational needs co-ordinator (SENCO) to ensure the curriculum matches the needs of different students, such as disadvantaged students and those with special educational needs and/or disabilities (SEND)
- Promote careers education through Science and ensure that teaching and learning illustrates how Science might lead to career opportunities

- Use additional staff in Science to ensure there is a framework for deployments and that teaching assistants are deployed effectively
- Liaise with Upper Shirley High, the other secondary school within HET, to ensure sharing of best practice and development of a Science network at secondary level
- Liaise with HET and the Local Authority where relevant on subject-related events, projects and activities

Duties and responsibilities: Efficient and effective deployment of resources

- Provide support with textbooks and library books in Science
- Create a safe, welcoming environment and take care of the learning environment throughout the department, ensuring classroom displays are stimulating, of high quality, and inspire curiosity in students
- Audit, check and manage resources to ensure they are up to date, and match student and curriculum needs
- Support the Head of Science in managing the Science budget effectively to ensure it is spent on resources that add value and enhance the learning experience
- Prepare appropriate resources for remote learning to ensure the curriculum can be delivered to students learning from home due to coronavirus for example

Responsibilities of all school staff

At an appropriate level, according to the job role, grade and training received, all employees in the school are expected to:
