Matthew Moss High School is an inclusive school, where all learners are treated equally and have access to the full range of subjects and learning opportunities.

We are proud of our diverse and cohesive community, where relationships are at the heart of school. In our latest Ofsted report (2019) Inspectors noted that: *"relationships between staff and pupils are a real strength"*. The report also highlighted that: *"Staff morale is high"* and that *"One hundred per cent of staff said that professional development is used to encourage, challenge and support improvements"*.

Matthew Moss High School is located in the Castleton area of Rochdale. Matthew Moss High School is a "Good" school (Ofsted 2019) and is over-subscribed. There are 1220 learners on roll, including a Hearing Impaired Base and more recently, a partnership with Redwood School. Redwood School caters for young people aged 11-19 who have additional needs.

At Matthew Moss High School we believe in three things:

- Respect everyone and fear no-one;

- Thoughtful hard work shifts anything.

At the centre of our curriculum and pastoral care is our CHANGE ethos.

In Year 7, learners receive a dedicated CHANGE curriculum, which instils the values and ethos to which school would like staff and learners to aspire to. Moving forward, we are working to embed CHANGE throughout the life of school, so that learners are able to 'Engage CHANGE' and be active citizens in the world around them.

Matthew Moss High School is part of the Watergrove Trust and the successful candidate will enjoy exceptional self-development. All staff currently receive an individual CPD programme and new staff receive training in Transactional Analysis, which forms the basis of our Behaviour and Relationship Policy. All staff new to school will receive excellent induction and access to our wider CPD programme, to allow you to develop as an outstanding practitioner, with a range of future opportunities available within our growing school and Trust.

About the MFL Faculty

At Matthew Moss we really love languages, and believe studying a language is a positive, enjoyable experience and is accessible to all our learners. Our rationale is to enable learners to successfully communicate and understand Spanish / French in a variety of contexts and for a variety of purposes. We aim to provide an ambitious, inclusive and well sequenced curriculum for learners. We look to foster transferable skills, such as confidence, resilience, problem solving and critical thinking skills, which we believe enable deeper learning. Learning a foreign language is also an excellent opportunity to broaden horizons, learn about other countries and traditions whilst developing an understanding of cultural differences and showing empathy towards others.

The Modern Languages Faculty is led by the Head of Faculty and we are looking to recruit a Second in Faculty who is a Spanish specialist to work collaboratively to develop the new curriculum. It's an exciting time to join Matthew Moss as we co-construct the new KS3 provision. The role will include developing schemes of work and assessment to enhance the current provision for our learners, in addition increasing enrichment opportunities and promoting languages across school. Our faculty is made up of 6 members of staff (including the HOF and 2nd) and we currently teach Spanish at KS3 and have GCSE French classes at KS4. September 2022 will be the first academic year GCSE Spanish is offered. Our learners study Spanish for 4 lessons a week in Year 7 and Year 8, and for 3 lessons in Year 9. In Year 10 learners start GCSE courses and we follow the AQA specification. At KS4, we have an allocation of 3 lessons a week.

In 2021 we introduced Spanish and we are creating a Matthew Moss curriculum model using Claro and the Gianfranco Conti MARS EARS approach as a foundation for learning. There is also a large emphasis on phonics, literacy and Why study Languages? as we strive to provide learners with a personalised method of language learning.

In KS3 Spanish lessons we introduce new language, primarily an average of 10-15 new items of vocabulary a week, in addition to focusing upon phonics and new grammatical structures. We practise this new language through games in pairs/groups, using songs,

quizzes or online activities. We provide regular opportunities to explore Spanish culture and texts, alongside linguistic and cultural challenge tasks.

Learners choose their options in Year 9 to commence their GCSE Studies in Year 10. Languages remain an option subject and we have 5 groups studying French in the current Year 10 cohort. At KS4 learners are developing their skills in the 4 key areas: listening, speaking, reading and writing. We use the AQA GCSE Foundation and Higher textbooks and Kerboodle, alongside our own resources.

The Faculty endeavours to keep up with all developments in language pedagogy and uses a variety of approaches in both the creation and the delivery of lessons. A key strength of the Faculty is the co-creation and sharing of good practice and resources. Colleagues are open and supportive of each other and as a school there is a willingness and openness to trial and adopt new ideas and methodologies.

We have five specialist teaching rooms which are all equipped with interactive TVs / Whiteboards. As a faculty we are well resourced with a set of Chromebooks in the classrooms, therefore we have an active interest in both using and developing ICT effectively in lessons.

At Matthew Moss, we have a wide variety of subject CPD to support our teachers in their individual development and these opportunities are valued by staff. Our Faculty has a wide variety of resources to support this, including online subscriptions to Kerboodle, Teachit Languages, Mary Glasgow Publications and Teachvid.
