Information booklet for prospective applicants

Christ's College, Guildford

Dear Applicant,

Thank you for your interest in the role of Second in Maths.

Christ's College is an exciting place to work with dedicated staff, positive students and supportive parents. At our last OFSTED inspection in May 2019, we were rated Required Improvement, but we are already seeing the positive impact of a plan that was introduced a two years ago, with our GCSE exams results being the highest achieved by our students over the last three years. OFSTED also said of Christ's College:

"School rules and routines are embedded so that pupils are clear on what is expected of their behaviour and approach to learning. Teachers have high expectations of what pupils can achieve. They use their expert subject knowledge to plan tasks which engage pupils in their learning. Teachers ask pertinent questions which help them to judge how best to move pupils' learning and understanding on. "

"The school's work to promote pupils' personal development and welfare is good."

We are looking for colleagues to join us in working to make Christ's College even better in the future.

We have seen a rise in the number of families making Christ's College their first choice of secondary education. In 2014 we increased our intake numbers from 125 to 156.

We have a proven track record of excellent professional development opportunities. Staff are provided opportunities for career progression, with high quality training in place.

If you believe yourself to be the right candidate for this position, we would welcome your application. If you would like more information, or if you have questions about the post or the College, please contact me on jobs@christscollege.surrey.sch.uk or 01483 537373.

I look forward to receiving an application from you.

Yours Sincerely

Sarah Hatch

Principal

About Christ's College

Christ's College is a thriving school serving the non-Christian and Christian community of Guildford, Woking and the surrounding areas. We are proud of our Church heritage and hope that this has helped us to create an environment that is inclusive and supportive of all. Our aim for the children at Christ's College is that they should develop the **Core Values** of **Service, Respect, Stewardship, Co-operation** and **Love**. We know that success only comes through hard work and perseverance; life can be difficult, and therefore we all need resilience, but we need to work with optimism and believe that our hard work will open up great opportunities for us.

Over the last few years Christ's College has continued to grow. We have seen a significant rise in the percentage of children gaining 5 or more GCSEs. We are determined to build upon our high standards and ensure that students at Christ's College achieve excellent outcomes.

OFSTED said:

Pupils are rightly proud of their successes nationally, for example reaching the final in a national handball competition, and winning the University of Manchester's Alan Turing cryptography competition.

Outcomes in 2019 and 2020 were significantly improved, with structures and processes in this area implemented to secure sustainability and continuous improvements.

Advantages of working at Christ's College

- There is a real sense of belonging, camaraderie and mutual respect within the whole community
- Parents/carers and governors are highly supportive of the College
- Students are aspirational and committed to their studies
- Staff are dedicated, skilful and hard-working
- There are good opportunities for internal promotion in a growing school which has a tradition of acknowledging and rewarding hard work
- As a relatively small school which offers a full suite of extra-curricular activities, it is easy to become involved in a wide range of enrichment activities in Sport, Performing Arts and elsewhere
- High quality CPD
- A values driven educational establishment which underpins all areas of college life
- A member of The Good Shepherd Trust
