Information about the College

Kings International College is a mixed comprehensive 11-16 school located on an attractive, accessible site in North West Surrey. We currently have approximately 750 students and our numbers are still growing. As a relatively small secondary school parents, students, governors and staff all value our strong sense of community.

One parent described the college as '*a wonderful, friendly, supportive community enriching my child's life in all areas*', adding that '*[their child] has gained a love of learning from Kings*'.

Other quotes from parents include:

Teachers know their pupils' strengths and weaknesses well and have high expectations.

Pupils are safe and secure in the college and they feel content here.

Parents and their children are rightly proud of the college. They recognise that it offers a caring and compassionate community where pupils are kept safe.

Pupils are polite, courteous and respectful to each other, staff and visitors.

Pupils value the opportunities that they have to learn about keeping themselves safe, in and around the college as well as online.

During their time at Kings International College their Head of Year and their tutor will oversee their academic and pastoral needs. We also have a welfare officer who works closely with students as required.

Behaviour in the school is very good and strong systems are in place to maintain expected standards. The College has an 'Inclusive Learning Centre' which helps a minority of students with various needs to reintegrate or to secure regular attendance.

Each year the College selects a student leadership team who lead the student body. There is a strong Student Council which reports to the Governing Body and SLT.

Extra-Curricular Activities

Staff go the extra mile to provide students with a rich programme of extra-curricular activities.

We have business and education links with Wellington College, Surrey University, Farnborough 6th Form and Bank of America to name a few.

The school has a strong team of Middle Leaders in its Heads of Department, Curriculum Leaders, Heads of Year and Heads of Key Stage.

The College's SENCO works closely with the SEN Administrator and team of skilled and dedicated Teaching Assistants.

The support staff are well qualified and committed to the vision and values of our College.

Dear Applicant,

On behalf of all our students and staff, I would like to thank you for taking an interest in the post of second in department for Maths, ICT & Business Studies at Kings International College.

Kings International College is a comprehensive 11-16 school. It is a school where knowledgeable and passionate staff believe that with great teaching all young people can aspire to and achieve the highest possible standards. I joined the school as Headteacher in January 2018 and as recognised in our recent section 5 Ofsted inspection I have an ambitious vision for the school.

In the past 2 years, the department has been heavily involved in developing Mastery teaching pedagogy across the key stage 3, and now we are keen to continue this into a 5 years scheme of work across both key stages. Extra-curricular and enrichment activities are an integral part of our Maths curriculum and all members of the department are expected to contribute to one or more of these activities. These range from helping to run the after-school Maths club, organising Maths competitions and supervising students who participate in Maths enrichment activities.

We are looking for an effective leader who is passionate of the subject, working alongside the HOF to drive forward teaching and learning within the faculty, coaching and mentoring trainees and NQTs to improve their practice as well as being an excellent teacher in your own classroom.

This role will mainly involve teaching Business Studies at KS4 but the ability to teach Mathematics would be an advantage. Business studies is our most popular option at KS4 where we study the Edexcel syllabus. The successful candidate will be committed to achieving excellent outcomes for all our students and developing in them a real passion for the subjects by using a variety of initiatives; such as running whole school events.

We are seeking a second faculty who is committed to achieving excellent outcomes for all our students and developing our students in a real passion for the subjects, such as running whole day events within and outside school

At Kings we offer students of all abilities and interests an opportunity to be part of a school community that puts student learning at the heart of every decision that we make. Underpinning our success are the excellent relationships between staff, students and parents. These are based on mutual respect and a strong commitment to high expectations and challenge. Our students are happy, feel safe and enjoy coming to school and our staff offer a high level of care, guidance and support which enables them to thrive.

Support for staff is strong. We have a well-established programme for newly appointed staff which enables them to settle into the College routine quickly and effectively. There are a number of regular CPD sessions on offer to all teachers throughout the academic year and we expect all staff to be pro-active in their professional development.

Our pastoral provision is effective, essential to the well-being and progress of our young people and fundamental to high levels of achievement. In addition to the leadership team, a well-trained safeguarding team of 8 individuals supports students' needs.

The College is fully staffed, not least because staff report that they can concentrate on teaching and are supported by widely shared and regularly reinforced expectations.
