

Hadley Learning Community (HLC) is a £70 million school that opened in September 2006 in Telford, Shropshire, just 5 minutes off junction 6 of the M54. The campus consists of a primary, secondary and special school within one, modern and spacious building.

When you visit, you will instantly feel the ethos of our school: we are fully inclusive and proud of our students and the community we serve.

Ofsted graded our school 'Good with many Outstanding features' and highlighted the outstanding care, guidance and support which we provide our students. Since 2016, HLC has been ranked within the top 100 schools in the country for progress! We pride ourselves in our 'can do' culture with high expectations of both staff and students.

We are seeking to appoint a dedicated and inspirational Languages teacher from November 2021 to join our successful and committed team of French and Spanish specialist linguists. This is a fantastic opportunity for a dynamic, ambitious and energetic teacher with a love of language and culture. The successful candidate will exhibit a passion for language teaching and be able to deliver high quality, engaging lessons.

Our school leadership team consider languages to be an integral part of the curriculum and are proud of our EBACC results which are consistently higher than national average. This post is suitable for both full and part time applications. The successful candidate will be committed to the highest quality of teaching, learning and assessment and will play a key role in ensuring the best possible outcomes for our students.

Hadley Learning Community teaching staff benefit from a large, dedicated teaching room and school laptop, complimentary onsite health and fitness facilities, four-court sports hall and 25 metre indoor swimming pool. A comprehensive Employee Assistance Programme and onsite nursery to support working families with childcare are key to supporting staff welfare which is one of our key principles. Applications are invited from both experienced and newly qualified teachers. We offer all our NQTs an excellent induction programme.

We look forward to receiving your application.
