

SEN Manager Permanent Required September 2026

Lea Valley Academy is an 11–19 community school with 860 students on roll.

We are looking to appoint an SEN Manager to join Lea Valley Academy, a school with a strong reputation for supporting both staff and students. Our wider workforce is highly valued and plays a vital role in our aim to be a centre for educating our community for success.

This is a key position within the Inclusion Faculty and would suit someone who is highly organised, proactive and committed to making a positive difference in students' lives. The successful candidate will lead the day-to-day coordination of provision for students with special educational needs and disabilities (SEND), ensuring that support is delivered effectively and consistently across the school.

The SEN Manager will work closely with the SENCo and other colleagues to oversee support staff deployment, coordinate provision, and ensure that systems and processes are robust and well implemented. The role will involve working with staff, students, parents and external agencies to ensure students receive the support they need to access learning and achieve their potential.

Lea Valley students thrive when supported by staff who are determined to see them succeed and who are committed to helping them achieve their very best.

The successful candidate must be able to work collaboratively with staff across the school, demonstrate strong organisational and communication skills, and have a good understanding of SEND and school-based support processes.

This is a rewarding opportunity to play a central role in shaping and delivering high-quality provision and improving outcomes for students with SEND.

Actual Salary Range: £33,199 - £34,086
SO1 (Spine 23–25)
Hours: 36 hours per week x 39 weeks per year

Applications are to be received no later than **09:00am on Friday, 26th June 2026**

Interviews will be held shortly after

We are unable to accept CVs as a formal application.
