Introduction and welcome

Thank you for your interest in the SEND Foundation Teacher role at the Learning Community Trust, based at Severndale Academy.

This is an exciting time to join our local, community-focused trust. Our Monkmoor site provides for learners aged from 2-19, who have a range of SEND needs, including complex autism, physical, medical and communication needs, and moderate to profound learning disabilities. Teachers at our Monkmoor site benefit from a team of experienced teachers and support staff, with team planning and support from subject leaders. The Severndale curriculum is organised into three pathways, tailoring learning for individual needs.

We are seeking a teacher colleague to lead classes within our Foundation (EYFS and KS1) department, teaching a range of subjects across the week to our Complex SLD/ PMLD cohort. The role may suit experienced mainstream or SEND EYFS or primary teachers, who can bring both their caring approach and high expectations to their classroom practice.
It is vital that the potential candidate has a can-do attitude and is committed to their own personal development in an ever-changing landscape of SEND.

I am confident that the successful candidates will find tremendous support within Severndale Academy and the Learning Community Trust, where collaboration, innovation and continuous improvement are fundamental principles – ensuring that we offer the best education and experience to our young people in Telford and Shropshire.

Best wishes
Lucy Lee
Executive Principal

About the trust

The Learning Community Trust is a multi-academy trust which spans education for children and young people from the age of 2 years old through to 16 years old, and up to 25 years old in our specialist settings. We have an excellent reputation both regionally and nationally and are proud to place our young people, staff and families at the heart of everything we do. We want our young people to thrive, enjoy school, and understand the importance of respect for others.

The Learning Community Trust exists because we have a commitment and passion for providing great academies for our communities. We acknowledge and celebrate the distinctness and individuality of each academy's community; we celebrate equality, diversity, inclusivity and individuality because we believe that we have far more in common than that which divides us.

The trust academies span across the education sector, with primaries, secondaries, and specialist academies. This means we are responsible for thousands of young people and staff across our campuses; we take that responsibility very seriously. Each academy is individual and has its own distinctive ethos. However, we all share the same Learning Community Trust value, to support all our young people to ensure that – regardless of their background or starting point – they can achieve exceptional educational outcomes.

Our absolute focus is to provide the highest quality of education and pastoral care in our academies, developing compassionate, caring, humble and inspirational young people who can thrive within an ever-changing global community.

Staff members across our trust benefit from a broad spectrum of training opportunities, including nationally recognised development programs, all tailored to support the specific needs of our academies and their personnel. Whether you are beginning your journey in education or are an experienced leader, we are here to ensure you reach your fullest potential.

Our Mission

Delivering an inclusive, compelling and transformative education that empowers young people, both in the classroom and beyond, preparing them for the rapidly changing world ahead.

Our Vision

Developing compassionate, resilient and inspirational young people who can thrive within an ever-changing global community.

Our Values

A trust with heart	Successful young people	Never leave a child behind	Learning for all
Thriving community	Respect for all	Together we are stronger	Coping with the challenges of life

About Severndale Academy

Severndale Academy is a large special school which is part of the Learning Community Trust, a multi-academy trust working across Shropshire and Telford.

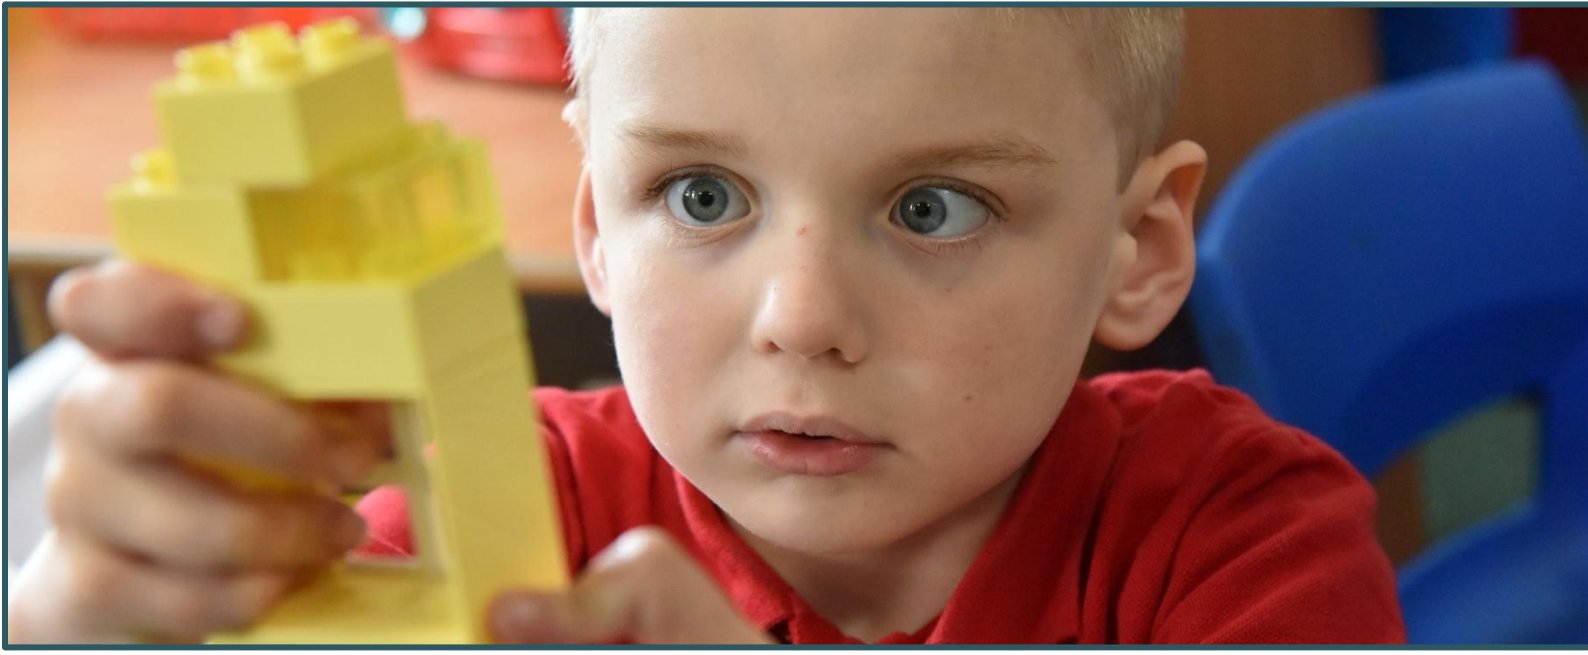

Our provision is split across three sites, including our main Monkmoor site, our satellite provision working within the Mary Webb mainstream secondary school and also our 16-25 provision based at Shrewsbury College called Futures. Please take some time to look through the various parts of the website for more information.

Our children and young people are aged 2.5 to 25 and have a range of learning difficulties. These include moderate, severe, complex and profound learning difficulties, those with autism, complex medical conditions and physical and mobility difficulties. A number of our young people present behavioural difficulties arising from their condition; many have communication difficulties.

Our curriculum after the Foundation Stage (EYFS to Year 2) is arranged into Pathways 1, 2 and 3 to enable us to further tailor the curriculum to the strengths and needs of our learners. Please see our Curriculum page for further information.

Our vision is to ensure that the needs of all of our young people are 'truly met' and that we ensure pupils leave Severndale being as independent as they can be and are also ready to access 'life beyond the school'. We focus on developing quality interactions, relationships and supporting positive communication, as well as providing high-quality learning experiences in a dynamic, creative, enjoyable and safe environment.

In essence... enabling communication, independence, and enjoyment for life.
