## **SEN Specialist Teacher for In-School Special Needs Provision required for September 2025**

**Are you a passionate teacher seeking to work in a nurturing yet aspiring school?  
Would you like to work in an 'inspirational school in which 'the inspirational leadership  
creates a dynamic, life-transforming culture where pupils experience life in all its fulness'  
(SIAMS Dec 23)**

**Starting:** September 2025  
**Salary:** MPS + SEN Allowance  
**Contract:** Permanent 3 days a week + paid PPA  
**Location:** St Peter's CofE School

St Peter's CofE School is a popular one form entry school in Burnham village. We pride ourselves on our inclusive and positive approach in which children can experience the joy of learning while being encouraged to 'achieve with all their might'. The school has a caring family feel and really is a happy place to learn and work.

Are you a passionate and experienced teacher with a deep commitment to inclusive education? Do you have the vision and drive to lead a nurturing, specialist provision within a mainstream primary school?

We are looking for a skilled and empathetic teacher to lead our new small-group provision for children with special educational needs. These pupils will spend a significant part of their week in the provision but also remain connected to their mainstream classes—joining their peers for parts of the day, some lunchtimes, and whole-school events.

This is a 3 day a week role and you will be responsible for teaching a small class including children with complex special educational needs and planning for a further 2 days. You will be supported by an experienced and dedicated team of assistants and a non-teaching SENCo. You will design and deliver a creative, personalised curriculum while building strong, positive relationships with children, families, and colleagues.

We offer:

- A well-resourced provision you can help shape from the ground up
- A supportive and inclusive staff team
- Dedicated leadership support and ongoing professional development
- A culture that celebrates every child's uniqueness and potential
- A place where you can really make a difference!

If you are a reflective practitioner with SEN expertise and a warm, calm approach, we'd love to hear from you.

For further details, or to arrange to come and see our wonderful school, please contact Mrs Bartlett or Miss Bond who will be happy to help you [admin@stpeters.bucks.sch.uk](mailto:admin@stpeters.bucks.sch.uk)

**Closing date for applications: rolling**

**Interview date: Interview on application**

Applicants will be required to demonstrate their commitment to promoting safeguarding the welfare of children in line with the school's policies and procedures. A satisfactory Enhanced DBS disclosure is required for this role. After shortlisting and before interview references will be requested and online searches will be completed to confirm a candidate's eligibility, and identify any potential safeguarding concerns or risks.
