- Qualified teacher status/SENCo qualification or be registered and working towards this.
- Up to date knowledge of the SEN Framework & Code of Practice.
- Experience of working with the LA and outside agencies to support children and families.
- A collaborative approach to working, and one who is able to bring their team with them.
- Great communication skills, and able to work successfully with the leadership team, staff, pupils, families and outside agencies.

The children of New North have told us they would like someone who:

- Believes in them;
- Is happy, kind, helpful, trustworthy and fair;
- Hears their voice and understands where they're coming from;

Our school is a vibrant 1.5 form entry primary, housed in an attractive, modern building which serves a diverse and supportive community. A conversation with our Head Teacher prior to your application is warmly encouraged and can be easily arranged if you would like
